### Arrival Detail

The cost of the airport private transfer is **\$125** plus tax each way for up to 4 people and **\$10** per person per person above 4 passengers.

When you arrive at the airport, 1-you will be required to pass through immigration, 2-then baggage claim and finally 3-scan your luggage on a scanner at Customs. After you retrieve your luggage there is a little scanner and then out through the exit doors. The "arrivals waiting area" is immediately outside which is where the driver will be standing with a sign with your name on it. After that is aprox of 1hr 45min drive to Jaco Beach

### Money Exchange

Costa Rica is a USA friendly place so you could use the US \$ and cards with no issues. Its good to have \$5, \$10s and \$20s in case you need to get fruits, snacks or tip someone.

Having around \$250 in cash is more than enough to have as pocket change, no need to have \$100 bills, just couple \$50s and the rest in lower bills
