

# KITCHEN & BATH GUIDE

see what Delta can do™

AUGUST 2025

# TECHNOLOGY

Available on selected products.

## Diamond Seal Technology

- Leak-Free, longer lasting and less hassle to install.
- A lifetime of reliable performance.
- Lasts twice as long as the industry standard.\*

\*Industry standard is based on ASME A112.18.1 of 500,000 cycles.

## MagnaTite® Docking

- Powerful Integrated Magnet
- Snaps Precisely Into Place
- Stays Docked, No Drooping

## ProClean™ Kitchen Spray

- Wide Fan Spray Cleans More Surface
- Easily Clean Hard to Reach Places
- Push Button Activation

## ShieldSpray® Technology

- Contains the Splatter
- Powers Away Messes
- Easy Button Activation

## H<sub>2</sub>Okinetic® Technology

Delta® H<sub>2</sub>Okinetic® Technology creates advanced, unique water patterns, efficiently delivering 3X the coverage of a standard shower head\* and the feeling of more water and water pressure.

\*Coverage measured in accordance with EPA WaterSense® Specification for shower heads, March 4, 2010.

## SureDock®

Delta® SureDock® Hand Showers bring reliable docking within reach. The SureDock® hand shower installs in minutes. Simply twist the hand shower onto the shower arm.

## ProClean™ Hand Shower

The ProClean™ Hand Shower cleans shower surfaces at least 2X faster than standard sprays, powering off soap scum and shower messes using a high-pressure, wide fan spray.

## Lumicoat® Finishes

Delta® Lumicoat® Finishes easily wipe clean without the need for cleaners or chemicals and are guaranteed to resist mineral buildup and hard water stains. Repels liquids and does not alter the look of the finish.

## MultiChoice® Technology

**One rough. Unlimited possibilities.**

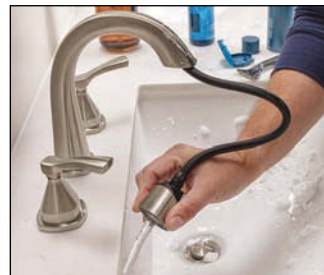

- Faster, easier and less expensive to upgrade style, finish and functionality later.
- Square plateguard allows for simple 90° cuts and snaps into place.
- Heat-resistant pressure test cap allows for air or water testing before valve cartridge is installed.

## Touch<sub>2</sub>O® with Touchless™ Technology

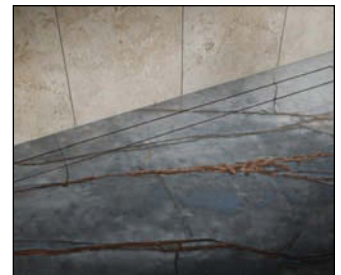

Provides easy water control 3 ways:

- Simply place your hand near the faucet, tap, or use standard handle activation.
- 4-minute automatic shut-off helps prevent water waste.
- Touch-free activation helps prevent spread of germs.

## Pull-Down Bath Faucets

- Pull-down spray wand featuring MagnaTite® Docking
- Weighted hose allows spray wand to seamlessly retract into place.
- Durable nylon hose resists fraying and prevents hose from scratching the faucet finish or wearing down internal components.

## Linear Drains

- Provides secondary water drainage through flexible sealing membrane.
- Finish-matched stainless face. It can be installed to match tile, marble, and natural stone.
- Height-adjustable feet for custom and level rough installation.
- Easy, precise and fast in-floor or against-the-wall installation.
