

# Patriots 4 Pendleton Monthly Newsletter March 2024

Easter is quickly approaching and we invite our fellow Patriots to help us bless our Marines and their families. P4P has just started collecting wrapped Easter baskets for the little ones along with \$20 gift cards for the teens and \$25 gift cards for the single Marines. Monetary donations are also welcome; we'll be happy to shop for you !!! You can mail a check (please write Easter on the subject line) or make a donation through our website: [here](#)

Our goal, as always, is to bless as many families on base as we possibly can and with the generosity of our partners, we are confident that we will be able to support several units. Please refer to the attached flyer for more information. We look forward to the upcoming Easter holiday and can hardly wait to bless our families at this most sacred time of the year.

National K9 Veterans Day, March 13, is a day set aside to honor and to commemorate the service and sacrifices of American military and working dogs throughout history. It was on March 13, 1942, that the Army began training for its new War Dog program, also known as the "K-9 Corps", marking the first time that dogs were officially a part of the United States Armed Forces.

### OUR MISSION STATEMENT

To assist military personnel at Camp Pendleton and to serve their families by providing financial, educational and social enrichment programs as they face the unique challenges of military life while standing ready to selflessly defend our country. We will inspire and encourage members of the community to join us as we honor, support and show appreciation to the Marines, Sailors and their families and will afford opportunities for the community to do so through various outreach programs throughout the year.

### INTRODUCING WILSON AUTOMOTIVE GROUP

**Wilson Automotive** is a family of dealerships and related companies that specializes in the retail sales and service of vehicles. Included in these companies are eighteen automobile dealerships with locations in California, Arizona, Nevada, and Mexico. The organization is characterized by its emphasis on customer loyalty and retention, its outstanding reputation in the automotive industry, and its dedicated involvement in the local communities as a generous and supportive corporate citizen.

**Wilson Automotive** is a respected and prosperous business. However, its dealerships are also integral, generous contributors to their local communities. Each year they adopt worthy causes and charitable organizations – giving back to the communities that have made them successful. From sponsoring ads in local yearbooks and school programs, to building athletic fields and providing scholarships, to playing “secret Santa” and mysteriously paying off holiday lay-aways at local retailers, Wilson Automotive is known as a company that cares. Whether selling a car or feeding the homeless, Wilson associates care about their communities and are dedicated to making a difference.

**Wilson Automotive** has been a friend and supporter of our Camp Pendleton families for years, and P4P can vouch for their commitment to supporting and giving back to their communities. They have supported us at Easter with Easter baskets and we are so grateful for their continuing support. We are humbled by all that they do for our Marine families and are amazed at what they do for so many others - such a blessing to thousands of people every year. For more information on this amazing company and for a list of their dealerships, please check out their website: <https://www.wilsonautomotive.com>
