Patriots 4 Pendleton Monthly Newsletter September 2024

The call went out for school supplies and what an amazing response we had. **Thank you** from the bottom of our hearts to all who donated, including the **San Antonio Catholic Church Youth Ministry, Victor & Theresa Chayasirisobhon, Adele Ray, David Leitao, DJ & Missy Leitao, Jamie Long & Shelly Leitao, Illyse Davidof, Gordon & Marg Goodwin, Jeanne Spence**

and **Leanne Daniels**. The kids were so excited to be able to pick out their backpack and the Marines were most grateful for the support. To know that complete strangers care enough to support them in this manner is priceless. Backpacks stuffed full of everything needed were given to K-12th grade students of the **13th MEU**, the **1st Radio Battalion** and the **1st Intelligence Battalion**. The kids are going to have a great year!!

PRAY
FOR OUR
MILITARY

We don't
know them all
but we owe
them all.

Deployment is a difficult time and there are still members of the 15th MEU on their overseas deployment. We humbly ask that you remember them and their families in your thoughts and prayers.

OUR MISSION STATEMENT

To assist military personnel at Camp Pendleton and to serve their families by providing financial, educational and social enrichment programs as they face the unique challenges of military life while standing ready to selflessly defend our country. We will inspire and encourage members of the community to join us as we honor, support and show appreciation to the Marines, Sailors and their families and will afford opportunities for the community to do so through various outreach programs throughout the year.

Established in 2004, September 17 is designated as Constitution Day and Citizenship Day to commemorate the signing of the U.S. Constitution in Philadelphia on September 17, 1787. Written in 1787, ratified in 1788, and in operation since 1789, the United States Constitution is the world's longest surviving written charter of government. Its first three words, "We the People", affirm that the government of the United States exists to serve its citizens. For over two centuries the Constitution has remained in force because its framers wisely separated and balanced governmental powers to safeguard the interests of majority rule and minority rights, of liberty and equality, and of the federal and state governments. Since 1789 the Constitution has evolved through amendments to meet the changing needs of a nation now profoundly different from the 18th-century world in which its creators lived. It was a charter of government that came to be ratified by the states, and it continues to be the supreme law of the land.

Because many of James Madison's ideas made their way into the Constitution, he is often referred to as the "Father of the Constitution." Indeed, he was a driving force of the convention throughout the summer of 1787, and his notes of the deliberations have provided valuable insights into the proceedings.

However, the Constitution was the result of months of passionate, thoughtful deliberation among the delegates. Many others besides James Madison made important contributions, particularly those who served on the Committee of Detail, which included Oliver Ellsworth, Nathaniel Gorham, Edmund Randolph, John Rutledge, and James Wilson; and those on the Committee of Style, which included Alexander Hamilton, William Johnson, Rufus King, and Gouverneur Morris. Other notable delegates included Benjamin Franklin and George Washington (who served as president of the convention).

The U.S. Constitution is the fundamental framework of America's system of government.

The Constitution:

- Creates a government that puts the power in the hands of the people
- Separates the powers of government into three branches: the legislative branch, which makes the laws; the executive branch, which executes the laws; and the judicial branch, which interprets the laws
- Sets up a system of checks and balances that ensures no one branch has too much power
- Divides power between the states and the federal government
- Describes the purposes and duties of the government
- Defines the scope and limit of government power
- Prescribes the system for electing representatives
- Establishes the process for the document's ratification and amendment
- Outlines many rights and freedoms of the people

Babies are such a gift and **Patriots 4 Pendleton** has a way to help you celebrate the new bundles of joy that our Marines will be welcoming soon. Working together, we can assemble and distribute baby baskets for newborns on Camp Pendleton.

Patriots 4 Pendleton will be donating a gift basket to newborns at Camp Pendleton to help welcome them to the world. Any and all donations are appreciated – from items listed below which will be used by P4P to assemble gift baskets to completed gift baskets to monetary donations which will be used to buy commissary cards to be included in the baskets. Money still goes a little further at the Commissary than a store off base. Checks should be made payable to **Patriots 4 Pendleton** and mailed to **154 Jerrilee Lane, Anaheim, CA 92807**. Please write Baby Baskets on the memo line of your check.
