

Patriots 4 Pendleton Monthly Newsletter January 2022

It's hard to believe that 2021 has come and gone. It was another challenging year but there was also so much goodness and light !!! So many patriots really came together in a huge way to show their support for our **15th MEU families**. The families were completely blown away by the love and blessings that were showered upon them. It's really not about the toys or the gift cards or the raffle prizes; it's about knowing that they are loved, appreciated and not forgotten - especially at a time when things are so crazy. Trying to put into words how grateful we are for everything that so many did is very difficult and I'm not usually one who is speechless. It's not about what we did, it's about what **YOU** did !!! We are so grateful to be in a position where we can see so much kindness and restoration of faith and hope in these dark times. **THANK YOU** from the bottom of our hearts to all of God's earthly angels out there; **YOU** truly made a huge difference to these young military families and that is **PRICELESS** !!

We have been collecting items for the 15th MEU barracks and also for the building that is being converted to a recreation lounge that will be used as a common area for Marines to congregate during their free time. So many generous donations have been received - the latest being this beautiful red, white and blue horse-shoe set. Thank you to everyone who has been so kind to date.
