## **Truck Visit / Onsite Catering**

**We offer several different options for onsite catering:**

- 1) We bring the truck and feed your crowd from the menu and settle up at the end.
- 2) We offer a revised menu with a limited menu or an approximate dollar amount per person. This controls the expenditures but allows the guest options for their order.
- 3) Fixed Menu: Usually a choice of two sandwiches, a choice of one or two sides. Prices start at \$12.00 per person and go up to \$20.00 per person depending on items. This option works well to feed a large crowd quickly.

We have a \$1000.00 minimum per event.

(Terms are negotiable based on location, volume, and availability)

There is a \$100 travel charge for events over 30 min from Columbia, MD.
