

BUILDING BRIDGES— A BENEFIT FOR SUMATRA

OCTOBER 24 & 25
SATURDAY DINNER AT 6PM
SUNDAY LUNCH AT 12 PM

LOCATION: ARTHA RINI RESTAURANT
KENSINGTON, MD

SAVE THE DATE

Following the catastrophic floods and mudslides of late 2025, dozens of critical bridges across Aceh were destroyed.

Today, access to essential healthcare, markets, and jobs remains severed. Hundreds of students still risk their lives daily, crossing deep rivers on makeshift ropes just to attend class.

Even as newer crises emerge across Indonesia, Aceh's recovery cannot be forgotten. In partnership with our allies in the Netherlands, we are raising funds to build resilient, permanent steel bridges.

To support this mission, Artha Rini Indonesian Restaurant in Kensington, MD, will host a traditional liwetan charity lunch and dinner. All profits will go directly to Ekspedisi Kitabisa, a nonprofit dedicated to funding and building these essential crossings.
