

D.E.A.R. - Dragons Excited About Reading!

The RHS Read-a-thon starts February 1st.

February is national "I Love to Read" month. Let's have some fun during our annual RHS Read-a-thon, DEAR: Dragons Excited About Reading, sponsored by the Randolph Heights PTA. Money raised from our annual Read-a-thon will help us enhance literacy throughout our school.

Each student is encouraged to set and reach a personal reading goal. Students can also help raise money which will support enrichment activities at RHS.

- ★ Every reader can receive up to 4 student-designed bookmarks by logging their weekly minutes!
- ★ Every student who raises at least \$30 will earn additional prizes!

Here's how it works:

- 1.) **Set a Daily Reading Goal:** Each student sets a goal for how many minutes they will read at home each day during the month of February. (Time spent listening to an adult read also counts!) Students are encouraged to read 10 to 30 minutes per day (outside of school) depending on grade level.
- 2.) **Track Daily Reading on the Calendar:** Keep track of the minutes read at home each day using the Read-a-thon calendar sheet. Your calendar will be emailed (printable!) and in your take-home folder. On Sunday, parents will receive an email with a link to the Google Form to enter your weekly minutes. The email will come from Randolph Heights School. (The paper version of the Calendar will stay at home until the Read-a-thon is over.)
- 3.) **Get Supporters and Collect Pledges:** Each student is encouraged to find donors - parents, grandparents, other relatives, friends, etc. - who will show support of the student's reading goals by making a pledge. Pledge money should be returned by Monday, March 9 along with the Read-a-thon Calendar and Pledge sheets.

Why a Read-a-thon?

The Randolph Heights Read-a-thon is a fundraiser for the Randolph Heights PTA. We have held an annual read-a-thon since 2015. The Read-a-thon has many benefits over traditional school fundraisers:

- It encourages good reading habits and helps support the school's emphasis on reading skill development.
- Nearly all the money contributed (minus a small percentage -- less than 15% of donations! -- for expenses to run the Read-a-thon) goes directly to the PTA to support school activities.

Why do we track minutes and not the number of books read?

The Read-a-thon is based on minutes read, not how many books are read. This allows students with different reading speeds to compete on a level playing field for recognition and for prizes. Reading minutes may include minutes a child is read to or minutes spent doing independent reading.

What do I say to ask for a pledge?

"My school is having a Read-a-thon in February to raise money for our school. The money we raise will be used to buy new books or send us on field trips. We are raising money by reading and asking people to sponsor us. I plan to read a total of _____ minutes. Would you consider supporting me?"

What's the best way to thank my sponsors?

Thanking your sponsors is an important step! After the Read-a-thon is complete, write a thank you note, send an email or call each sponsor to say "thanks" and let them know how many minutes you and the entire school read.

Our school wide goal is to read 200,000 minutes. If we reach this goal, a special celebration will be held school-wide.

Mark your calendar and make a plan to read, read, READ!
