

Dragon Dash 2026

The Randolph Heights PTA is excited to announce the 2026 Dragon Dash! This year's event will combine at-home activities with the Dragon Dash on Friday, October 9 during each grade's specialist time. Please join us in continuing to support RHS and help us meet our fundraising goal of \$40,000. Because of your generous support, these are some of the things that are funded for our students and staff at Randolph Heights School:

- ★ Direct teacher grants for each classroom to support learning and enrichment
- ★ Fall Movie Night (October 2)
- ★ Building community and school spirit by providing all students and staff RHS shirts
- ★ Providing dinner and school age childcare at all PTA meetings
- ★ Paying for buses and admission for each grade to go on one field trip
- ★ Creating a fund to eventually purchase an electronic sign for the front of the school

We have again teamed up with *Get Movin' ®* to provide an online platform for collecting donations and tracking grade-level progress. This will make it easier for you to donate and for you to reach out to family, friends, and co-workers who may be interested in supporting your student's fundraising goals. And best of all, we get to kick off the school year promoting health and physical activity! To use *Get Movin' ®*, **complete these 3 easy steps:**

1. Go to www.getmovinfundhub.com to register your student(s). After registering, you can edit their webpage to include a photo, a video, and their personal fundraising goal.
