Fall Activities Update

The year so far:

- **Open House**
 - PTA sponsored popsicles
- **Boo Hoo breakfast**
 - Donuts and coffee in the library
 - Went well and had many attendees
- **Playground Playdates**
 - More popsicles!

- Combined into one K-5 event due to rain. Well attended and a fun community building event

Coming up:

- **Movie Night on Oct 3**

- Showing E.T.
- PTA will provide popcorn
- Ms. Morrison is bringing a food truck to raise money for gym equipment and fall festival decorations.

- **Dragon Dash on Oct 10th**

- Dragon Dash is how we celebrate the conclusion of our primary school fundraiser and one way we promote activity among the kids. Classes get prizes when they meet different fundraising goals.
- Families are encouraged to come out and cheer on their children!
- Students receive an RHS t-shirt on the day of the Dragon Dash that they wear for the event. They will bring these home and should keep them to wear throughout the year as they want and for sure at Randy's Races in the spring.

- **Fall Festival on Oct 30th**

- Fall Festival is one of the biggest and favorite FAMILY events at RHS: carnival-style games, pumpkin painting, movie room, face painting, bingo, food for sale, and everyone's favorite - vaccinations on site!
- There will be many opportunities to volunteer at Fall Festival. Watch out for sign-ups on social media and in Principal William's newsletter.

Principal's Update

- Our numbers are really good, we are filled to capacity with over 470 students!

- Special Ed numbers are high. Caseload for elementary should be 19 and we have 1 special ed teacher, 1 para with 28 special ed students. This number may increase.
 - The district will provide a sub daily. On October 1 the district takes a count and levels staffing across schools in response to the actual student numbers/need.
 - English Language Learner teacher district allocation may increase, which would free up the .25 salary Principal Williams allocated from his budget.
 - The new superintendent has had a great start and has been visible across the district at schools, nutrition staff kick-off, and teacher PD.
 - The food services lead at RHS retired last week. The district is seeking a replacement but currently subs are rotating through.

Treasurer's Report

* Please reference the budget summary for more details

- Grade level books: Seeking permission to allocate \$500/class for books.
 - Looking at resurfacing the gaga pit and adding shade trees to the playground.
 - The sign fund is available for regular spending if needed.
 - Putting away the money for a potential new sign is assuming that we won't get a building upgrade in the next 4 years, which is unknown. Once the RHS building is on the list for improvements, that would be a huge project and signage would be included.
