

Go to [www.getmovinfundhub.com](http://www.getmovinfundhub.com) to register your child.

If you have never registered with FundHub, complete all of the **Parent Registration** information on the right side of the screen, including student name and classroom. This will create a webpage for your student and assign them to the correct class. You can add more students under your account using the "+Add Student" button, including creating a Family page. See the parent tutorial video on the Parent Dashboard for more information:

The remaining instructions are applicable if you already have an account with FundHub (from the Dragon Dash or ReadATHon from the previous school year).

From the registration website, click the "**Login**" link below.

**Have You Used FundHub Before?**

If you are a parent that has already used FundHub for a previous fundraiser, please **Login** and add your student(s) to the current fundraiser by clicking the green "Add to Event" button.

You will see your existing student(s) from the previous school year events. Click “+Add to Current Event” under your student’s profile. If you have additional students to add within your account who did not attend Randolph Heights last year, you can select “+ Add Student”.

The screenshot shows the Parent Dashboard interface. At the top left, it says "Parent Dashboard" with a help icon and a link to "Watch Video Tutorial". At the top right, there is a green button labeled "+ Add Student" circled in red. Below this is a grey banner with a greeting "Hi [redacted], Please follow these 3 Simple Steps for Student Success!" followed by three numbered steps: 1. Successfully add your child to their current School Event & personalize their webpage! (with a sub-note about adding pictures/videos), 2. Make an online donation using the red Donate button now! (with a sub-note about helping reach goals), and 3. Share with friends and family using the provided share buttons! (with a sub-note about email/text messages and social media). Below the steps is a red banner with the text "Student Name" and "Current Event Available: Dragon Dash 2022 – October 14th, 2022". At the bottom, there is a grey silhouette of a person and two buttons: "+ Add To Current Event" (circled in red) and "+ Add to New School". A red arrow points from the "+ Add Student" button at the top right to the "+ Add To Current Event" button at the bottom.

**+ Add Student**

Hi [redacted], Please follow these 3 Simple Steps for Student Success!

- 1** Successfully add your child to their current School Event & personalize their webpage!  
*Adding a cute picture and video of your child using the yellow edit button is engaging to friends and family, they will love it!*
- 2** Make an online donation using the red Donate button now!  
*Help your child reach their goal for their school by donating now!*
- 3** Share with friends and family using the provided share buttons!  
*Parents that send 10-15 emails/text messages and share on Facebook or Twitter will help their child reach their goal within 24-48 hours*

*It's super-fast and easy to do! Often, you'll raise \$100 or more with these 3 Simple Steps!*

**Student Name**

Current Event Available: Dragon Dash 2022 – October 14th, 2022

**+ Add To Current Event** **+ Add to New School**

After you've clicked "+ Add to Current Event", complete the information in the next window. It is important to select the child's classroom so that they are assigned to the correct classroom and grade. You have the option to add a photo of your child that will be visible on their personal page. You may also add a link to a video of your child (I think it needs to be hosted on an external site like YouTube or Vimeo). If you would like to set a personal fundraising goal for your child, you may do that here. You can also modify the participant message that will appear on their personal page. The default message is already populated. Click "I agree with Parent Disclaimer" and Save, and your child will now have a webpage specific to this event.
