

Beausejour Curling Club

Sept 19 2017 Mini-Newsletter

It's Not Too Late to Register for Curling:

For those of you who missed the Fall Registration on Sept 9, there are two more registration nights coming up.

Sept 22 and Sept 29 – 5 pm to 7 pm
Move Right Therapy Studio
418 Park Avenue (sign will be out front)

Please try to register at one of these nights as it makes the first night of curling go a lot smoother if teams are not waiting for players to register and pay before games can start. If you are unable to make either night, you can also contact Jody Cummer, our registration co-ordinator, at jodynicole13@gmail.com.

If you are a skip and have not yet registered or spoken to your league co-ordinator, you must do so ASAP to make sure your team will be put on the draw schedule. Check the website or the previous email for league co-ordinator contact information.

Other Reminders:

- All regular leagues will begin curling the week of October 10.
- After-school curling will begin on Oct 16.
- Monday drop-in league will begin on Oct 23
- Check our website at www.beausejourcurlingclub.ca for updates and other information. League draw schedules will be posted before the start of curling.
- Don't forget the Halloween Funspiel on Oct 28. Great way to get your curling season started and it's all for fun, curling experience not required, so bring your friends and family. Contact Jody to register (more info on website).

Locker Reminder:

Make sure you register and pay for your locker before you put the lock on. Locker assignments from last season will be saved until the end of the first week of curling so make sure you pay by then if you want to get the same locker as last year.
