| BLACK     |        |     |          |       |           |
| STEFANIUK |        |     |          |       |           |

SPARES: Kimberley Fleming -

**SKIPS:** If you are short players please do your best to find alternates for that evening. With only five games before Christmas and five after, one cancelled game is a lot, and this league is all about participation and socialization. If you absolutely cannot field a team please advise your opposition so they don't show up at the rink expecting to play.
