Why Choose Us

We are a family oriented dance studio and take pride in the dance family that has been formed with our parents, students and community. We are proud to provide our students with an incredible teaching staff whose main priority is to create a fun, safe learning environment for your children. We welcome you to stay and watch your child's class in one of our two, 800 sq. ft. viewing rooms featuring two-way mirrors!

Calendar / Attendance

- CLSOD closely follows the BSCSD (Ballston Spa Central School District) calendar for holidays, breaks, and snow days. Note: If there is no school, then there is also no dance (unless specified otherwise). Please view the School Closings on your local TV for closings due to inclement weather. We will also post on our social media sites if the studio is closing.
- Tuition is due in full regardless of missed classes so please encourage your child to come to class.
- There are no make-up classes unless designated by the teacher.

Meet the Owners

Carol Lawrence Moll, Owner

Carol began dancing at the age of 5. She studied at Svetlova Dance Academy in Dorset, VT. In 1973, she opened this studio and to this day it continues to thrive. Carol travels several times a year to keep up on current dance trends. Ms. Carol is a pillar of our community and believes her students should have an enjoyable and valuable learning experience!

Tiffany Lawrence, Director

Tiffany began studying dance under her mother, Carol at the age of 3. She continues to further her study in all areas of dance, participating in various workshops and conventions each year. She is dedicated to learning new techniques and styles to teach our students at CLSOD. As our Director of our Competition Team, she has choreographed numerous Regional and National Award winning routines. Miss Tiffany loves watching her students learn and grow over the years!

Halie Merriman, Asst. Director

Halie developed her love for dance at the age of 2 at CLSOD where she trained under her mother and grandmother. She's studied tap, jazz, ballet, clogging, irish, hip hop, pointe, lyrical and gymnastics. She spent 16 years competing and earned many top awards. Halie has a Business Administration Degree from SUNY Plattsburgh. Miss Halie always looks forward to sharing her love of dance with her students!
