Owners and Tenants are also financially responsible for damages or defacement to any external structure of any kind caused by their negligence or intentional misconduct. It is not advisable to vent the dryer straight up through roof, but in some cases, it is the only solution. Dryer vents should have a smooth interior finish and shall be constructed of metal.

Fines

The following fines will be levied on Owners and Tenants for violation of any Rule of Conduct:

First Offense of the same Rule # within 3 years	Warning - No Fine
Second Offense of the same Rule # within 3 years	\$100
Third Offense of the same Rule # within 3 years	\$200
Fourth Offense of the same Rule # within 3 years	\$400

For each offense, the Owner and/or Tenant will receive a written Violation Notice, via e-mail and/or mail to either (1) correct the violation, (2) pay any fine and correct the violation, or (3) contest the violation. The allowed response time is as follows:

- For **Rule # 1-2, 7, 12, 20-21, 23** will have **fifteen (15) days** from the date of the Violation Notice.
- For **Rule # 3-6, 8-11, 13-19, 22** will have **twenty-four (24) hours** from the date of the Violation Notice.

For Rules repeat offenses of the same Rule # within 3 years, the fine will be \$400 for each and every offense after the fourth offense. Fines and other fees that remain unpaid will be referred to legal counsel and/or the collection agency contracted by the Association.

A \$40 insufficient fund fee will be charged for returned checks.

Once the case is turned over to legal counsel, and/or collection agency, the Owner and/or Tenant will be responsible for paying any associated legal fees and collection costs in addition to the fines.

Example: Mr. Smith received a fine of \$400 for his **fourth** offense for a dog waste violation (i.e. **Rule #8**). Each offense thereafter by Mr. Smith related to Rule #8 will be subject to a fine of \$400. On the same day, Mr. Smith also receives a fine for his **second** offense regarding parking violations (i.e. **Rule #12**). Since the parking violation falls under a different Rule, that fine will only be \$100.

The Board will establish automated records to track the number of offenses by Owners and Tenants in each different Rule type and will become a permanent part of the Owner's and Tenant's record. Upon demonstrating no violations for a period of three (3) years for each specific rule, the cumulative offenses for that rule will be expunged. However, expungement does not eliminate the levied fine which is still owed.

Example: In February 2023, Mr. Smith received a fine of \$200 for his third offense for snowmobiling on Rockledge common areas (Rule #13). In May 2023, Mr. Smith also received a fine of \$400 for his fourth offense regarding dog waste (Rule #8). From June 2023 through June 2026, Mr. Smith violates no Rules. In July 2026, Mr. Smith receives a violation for dog waste (Rule #8). Since Mr. Smith had no violations for three (3) years (i.e. from June 2023 through June 2026), his prior cumulative offenses are expunged. He will receive a first offense which is just a warning with no fine for his dog waste violation in July 2026. If Mr. Smith violated Rule #8 in May 2026, it will be his fifth offense, and he will be fined \$400 because he again violated a Rule within the three-year period.

To contest the fine, a written notice of intention to contest must be **received by** the Association within fifteen (15) days from the date of the Violation Notice. Upon receiving written notice of intention to contest, the Board will schedule a hearing at the next regularly scheduled monthly Board meeting. The Owner and/or Tenant must appear at the scheduled hearing and the Owner's or Tenant's contest will be subject to a Board vote. Failure to appear at the hearing will result in an automatic denial of the contest. Following the hearing, a formal Notice of Decision will be sent to the Owner and/or Tenant via mail. If the Board denies the Owner's or Tenant's contest, the violation must be corrected in twenty-four (24) hours or fifteen (15) days according to the violation Rule number and the fine will become payable in five (5) days from the date on the Notice of Decision.

Failure to correct the violation within fifteen (15) days or twenty-four (24) hours according to the violation Rule number from the date of the Violation Notice or, if applicable, within fifteen (15) days from the date on the Notice of Decision denying the contest, whichever is later, will result in the issuance of additional Violation Notices and the appropriate fines will be imposed.

Example: Mr. Smith received a Violation Notice for his **first** offense (Warning-No fine) regarding dog waste. Mr. Smith did not contest the violation. He also failed to correct the violation within twenty-four (24) hours from the date of the Violation Notice. The Board will now issue a second Violation Notice (second offense) and a \$100 fine will be imposed.
