### **How can you offer this?**

The reason why we are able to do this is because hotels and resorts rarely experience yet they are always open and still have their fixed costs. So what they do is contract with companies like us to give these rooms out to get people to come in to see what they have to offer. When hotels and resorts have empty rooms, they do not make any money and it's a waste of a good room. So when we put someone in their empty rooms, the hotel may have lost the price of the room, it was already empty in the first place, but now they have a customer that might spend more money at their in-house restaurants and shops or even take advantage of their amenities like their spa, casino, room service, etc. They know that if they show you a good time while you are at their property that you'll come back to stay with them in the future the next time you visit their city and maybe even tell a few friends about them. It's a win win for both you and the property.

### **What is this vacation certificate redeemable for?**

This certificate will be considered void if bartered or sold for legal tender to the recipient. If the taxes & fees are less than the \$33 per night the difference will be refunded after travel is completed. 30 days advance reservation notice is required. In order to guarantee that you will show up to your booked reservation you will be required to pay a REFUNDABLE \$50 "Reservation Guarantee Deposit". If you send in your travel dates, etc and you do not end up traveling then the reservation guarantee deposit will not be refundable. 7 days before and after holidays and conventions are not available. This offer is valid 7 days a week subject to availability. Friday and Saturday nights will require a surcharge of \$20 per night. A \$5 per person per night surcharge is enforced for each child up to 2 children under the age of 18. This offer is only good for U.S. and Canadian residents only. This offer is not valid for group travel. change without notice. Do not rely upon representations other than what is printed on this certificate or the reservation request form.

### **After I pay the initial processing fee, what other costs do I have to pay?**

You will be required to pay a "Reservation Guarantee Deposit" of \$50 plus a \$33 per night "Tax & Fee Deposit" when you send back your reservation request form. Taxes & Fees usually range anywhere from \$12-\$33 per night. Any unused portion of your "Tax & Fee Deposit" will be refunded to you 30 days after travel along with your "Reservation Guarantee Deposit".

### **Can I take children on the vacation?**

Yes, for additional fees per child. The fees are \$5 per person per night for each child up to 2 children under the age of 18. You will have the ability to add travelers on the reservation request form. What happens after I activate this vacation certificate? If you activate this certificate online you can log back into the activation website for up to 6 months after activating your certificate to fill out your reservation request form right on our website. You will still need to mail your reservation request form to us along with the associated travel fees. After you fill out the reservation request form online you will have the option to download the form to print it out. When will I be contacted? Once you have mailed in your reservation request form, the travel agency will begin searching inventory and will book one of your dates and destinations. Once booked you will be contacted with a confirmation either by regular mail, email, phone or if available you can view your confirmation right online. Prior to that time you can always contact us regarding your reservation by going here <http://www.funrewardsforyou.com/contact-us.php> We typically start searching our inventory 30 days prior to your upcoming travel dates. Since we only require a 30 day advance notice, we will notify you as early as 21 days prior and no later than 14 days prior to one of your requested travel dates.

## **Can I cancel?**

The fee you paid to activate this certificate is Non-Refundable as stated on your certificate. If You have not already sent in a reservation request form successfully and if you do not want to take advantage of the offer yourself you could pass the reservation request form along to a friend or family member to take advantage of since you have already paid for it. Once we purchase accommodations for you and you need to cancel for any reason, any deposits or fees you paid for the room would be forfeited by you and are non-refundable as outlined in your reservation request form.

## **Do I get to pick the property?**

No, but you do get to pick the travel dates. We cannot promise you a specific brand of hotels since all of our inventory is based upon availability and we do not know which hotels we will have available at the time we start to search our inventory for your requested travel dates and destinations. Keep in mind that we will not work with any properties that have less than a 3 star rating by other travelers on [www.tripadvisor.com](http://www.tripadvisor.com). This is a website where actual travelers go to to put their reviews of hotels and resorts they have stayed at. The last thing we want to do is get your hopes up on staying at the Hilton and we end up only having the Holiday Inn Available during your requested travel dates. This is why we never promote specific hotel brands to travelers before a booking is made. This way we never have to worry about a traveler getting upset with us for promising a specific brand of hotel. Remember, we make money on rebookings too, so you can be rest assured we will place you in the best property available to us when booking your accommodations.

## **Can I activate the same vacation certificate number more than once?**

No, each certificate number can only be activated one time.

## **Can I use 2 vacation certificates back to back for additional discounted nights?**

No. Only one certificate can be activated per household every 12 months. How long do I have to request reservations? You must mail in the reservation request form with your travel dates within 6 months of activating your certificate and travel must be completed within 12 months of activating your certificate.

**Can I travel before the required 30 day reservation notice?**

No. To use this offer you must provide us with at least a 30 days advance notice.

**Can we go with another couple?**

Two couples could activate two different certificates and request the same dates but there is no guarantee they will both get the exact same dates.

**What is the "Reservation Guarantee Deposit" for?**

This is a refundable deposit that is required before we can move forward with a reservation. As Long as you show up to your booked reservation, your "Reservation Guarantee Deposit" will be fully refunded after travel. This covers our company from people that do not show up to their booked reservations. The resort charges us if someone that we book does not show up, so this deposit covers our costs if you do not show up. If you do not show up to your booked reservation you forfeit your "Reservation Guarantee Deposit".

**I see that you do not allow travel 7 days before and after a holiday. What holidays should we stay away from when selecting travel dates?**

Please avoid making plans 7 days before or after a holiday. The major holidays we recognize are as follows: New Years, Martin Luther King Jr Day, Presidents Day, Memorial Day, 4th of July, Labor Day, Columbus Day, Veterans Day, Thanksgiving and Christmas. I hope this is helpful when scheduling your trips and thank you for your cooperation.

## **Can I use this offer for a Special Occasion, like my wedding?**

Our products are not intended for spontaneous travel or special occasions. Since you are required to give the travel agency three different travel dates and multiple destinations in most cases we do not suggest that you use this for a special date committed engagement. It is helpful if you are aware that you will need to be flexible to give you the best possible experience.

## **I was told this was a FREE trip!**

Printed on every certificate is “Do not rely upon representations other than what is printed on this certificate or the reservation request form”. The statement is printed on the certificates to inform you, the end user, that no matter what you have been verbally told by “whomever” only the terms and conditions printed on the certificate and the reservation request form can be fulfilled. That disclaimer is to protect you and our company from any misrepresentations and at the same time we are keeping you informed and on notice if you were told something different other than what is printed on the certificate you will have plenty of time to address it with the company or person who issued it to you before there is any unnecessary distress.

For event tickets, they either send the event tickets to you or they generate a box office confirmation that allows you to pick up the tickets at the event's Box Office. Please follow the detailed instructions located on your confirmation email, which clearly outlines how to retrieve your tickets or vouchers.

Because of the sensitivity of many of the offers they provide and the special discounts and preferred seating, many of the Box Offices require a name of the individual who will be picking up the tickets. Some venues require photo identification, so please reference your specific product's delivery process to be sure there are no service disruptions when ticket retrieval occurs.

## **What are my shipping options?**

They offer a variety of different shipping & delivery options based on different types of tickets and special offers. For most items, if your order is less than \$125 you may select USPS Shipping. ### **When will I receive my tickets?**

You will receive your tickets based upon the product specific delivery method as outlined during checkout and on your confirmation email after your purchase is complete. ### **What are "taxes and fees?"**

For ticket orders, the term "Taxes and Fees" means that they collect sales tax of 6.5%, which is remitted to the state of Florida or other applicable state if required. Also, when they list an amount as "taxes & fees" on the site, that sometimes means a tax recoupment charge. When they contract with their supplier partners, often times they are subject to sales tax and the sales tax is passed on to you our customer. Therefore, what they're collecting from you is a tax recoupment charge that is equal to the amount they expect their travel suppliers to charge them. For example, when you go to Walt Disney World's website, the ticket prices are listed prior to charging the 6.5% sales tax that will be added to all ticket transactions, including when they purchase tickets from Walt Disney World for sale through their website to their customers.

Unless otherwise noted, prices shown for travel packages are in USD for one adult and if the travel package includes a hotel, based upon double occupancy. Prices are subject to change based upon your choice of travel dates, number of travelers, departure city, and your choice of hotels or other items, and may require a minimum stay. Amounts listed in the "Taxes and Fees" line consist of the amount that they expect the relevant suppliers to bill us for any applicable taxes, governmental fees and other charges, as described below. For ticket orders, the term "Taxes and Fees" means that they collect sales tax of a minimum amount of 6.5%, which is remitted to an applicable state if required.

## **What are the delivery options?**

Delivery methods vary and are dependent upon your product selection. Please review your specific order for details regarding the delivery of your tickets.

## **How fast will the tickets be emailed once purchased?**

Procurement of your tickets vary from your event selection. Some tickets are delivered as E-Tickets which you may receive moments after your transaction is completed. There are times where you may receive your tickets the day of the event. There are a number of factors in procuring your tickets and the details about the timing of your tickets vary based upon your event selection.

## **When will I receive my mobile e-Tickets?**
