### Notes

Levels are in metres above Ordnance Survey Datum.  
 The Coordinate system is on Ordnance Survey National Grid OSGB36(15) using topographical survey. All data has been drawn using a scale factor of 1.000 from this point.  
 Level datum and coordinate system were established using the OS active station GNSS network.  
 This drawing is copyright of Coast to Coast Surveying (SW) LTD and may not be reproduced without licence or permissions. No responsibility is taken for amendments by other parties. DO NOT SCALE FROM COPIES FOR CONSTRUCTION PURPOSES.
