Sir Patrick Mack (In Pursuit of Truth, @IPOT1776) did a detailed and insightful 1:13:40 decode on the George Floyd 'event'. (play 3:52 – 14:20)

Church going is still "illegal" but protests in the streets are encouraged?

WHO IS GEORGE FLOYD?

George Floyd moved to Minneapolis in 2014 for a fresh start after being released from prison in Houston, Texas following an arrest for aggravated robbery.

It appears Floyd moonlighted in a certain section of the video industry – his screen name was BIG FLOYD – and his "work" appeared on a Middle-Eastern website called Habib.

WHO IS GEORGE FLOYD?

George Floyd with girlfriend Courtney Ross.

The first hit on a quick Internet search shows Courtney Ross is a fictional character appearing in American comic books published by Marvel Comics. The character originated in the Captain Britain comics as Brian Braddock's college girlfriend... Coincidence?

WHO IS GEORGE FLOYD?

THIS Courtney Ross has been in a relationship with Floyd for three years and works at a coffee shop in the city.

Ross said: “Waking up this morning to see Minneapolis on fire would be something that would devastate Floyd.”

“He loved the city. He came here [from Houston] and stayed here for the people and the opportunities.

“Floyd was a gentle giant. He was about love and about peace.” “We prayed over every meal, we prayed if we were having a hard time, we prayed if we were having a good time.”

Ross told reporters she wanted protesters “to know that I understand their frustration. I want people to protest in a peaceful way”.

George Floyd’s former partner, Roxie Washington, and 6-yr-old daughter Gianna

Washington “wanted the world to know the George Floyd that they knew, the man who spoiled his daughter and moved here to Minnesota so he could better provide for his daughter.”

Floyd’s daughter is “proof he was a good man,” Washington told reporters.

“He loved his little girl,” Washington said.

On Monday, June 1st, attorneys for Floyd's family released the results of an independent autopsy report by Michael Baden indicating that Floyd was dead before they put him on the stretcher. Baden determined death was caused by asphyxia due to neck and back compression that led to a lack of blood flow to the brain.

Both autopsies revealed that he was positive for SARS-CoV-2, the virus that causes COVID-19. Both reports also indicated that Floyd had FOUR TIMES the LETHAL level of Fentanyl in his blood. Fentanyl is 50X more powerful than heroin! He also tested positive for Methamphetamine, Speed, and Marijuana.

Floyd also had sickle cell anemia that deprives the body and brain of oxygen, and heart disease. Sickle cell anemia lowers life expectancy by at least 22 years.

Pathologist Michael Baden said that he could find no underlying conditions that contributed to Floyd's death, saying he was in good health. Truth? Or did it fit better with the MSM narrative???

THING THAT MAKE YOU GO HMMM... Who Is Michael Baden?

Baden was the chief medical examiner of the City of New York from 1978 to 1979 but was removed from his position by New York City Mayor Ed Koch, after Koch had received complaints about his work, including memos from district attorney Robert Morgenthau and city health commissioner Reinaldo Ferrer, documenting their criticism of Baden for "sloppy record keeping, poor judgment, and a lack of cooperation". Baden later won a \$100,000 wrongful-termination suit.

Baden was hired as deputy medical examiner for Suffolk County, but was dismissed for allegedly making inappropriate comments about how to commit the perfect murder. The decision to let him go was rescinded shortly thereafter,

THING THAT MAKE YOU GO HMMM... Who Is Michael Baden?

as the circumstances of his alleged comments were unclear, but Baden chose to leave the position, nonetheless.

What Others Say About Michael Baden

- Lowell Levine, co-director with Baden of pathology for the NY State Police: "Michael never saw a camera he didn't like."
- Former classmate of Baden: "He is very bright, but he has a propensity for giving out statements and testimony which are not entirely accurate."
- Marion Roach, helped Baden write a book: "He is a great man. Michael Baden gets up every day wanting to do good in the world. He can't be bought. He can't be convinced of the wrong story line. He is a pure scientist with a great heart."

PATHOLOGIST MICHAEL BADEN

Notable Autopsies (A) & Death Investigations (I)

- 1995 Nicole Brown Simpson (I)

Baden made two claims about the deaths of Nicole Brown and Ron Goldman that he later disowned. After denying making the claim about Goldman, he was confronted with video evidence showing

him saying it at the criminal trial. He then claimed he misunderstood the question, but Goldman's attorney alleged Baden knowingly gave false testimony.

- 2007 Phil Spector murder trial (I)

Baden testified on his new theory on the death of music producer Phil Spector's alleged victim. He sought to provide an alternate explanation for blood on the victim's jacket. When asked by a prosecutor if he had any conflicts of interest, Baden replied "None that I can think of." It was later revealed that his wife was one of Spector's main attorneys.¹

[Exclusive: Doctor who performed Floyd's independent autopsy discusses findings](#)

From LawOfficer.com:

The determination of asphyxia or strangulation is not difficult to see. It takes just a few seconds of looking at the eyes and Baden may be a hired gun but he is not stupid and he proves that in his carefully crafted statements.

THING THAT MAKE YOU GO HMMM... Who Is Michael Baden?

On Fox News, he spoke about the George Floyd case in terms that seem ridiculous to any professional pathologist. As he discusses what the "autopsy" showed he said "in the video" several times.

"There was compression, you can see in the video..."

"The video of the pressure of the neck and back goes along with his statements that he couldn't breathe."

And it goes on and on and on.

Nothing Baden said can ever be introduced in the criminal case. He will never testify in the civil case.

THING THAT MAKE YOU GO HMMM... Who Is Michael Baden?

He is used for one reason and one reason only...to convince America that George Floyd was choked to death and normally we pay little attention to the guy that used a cartoon like diagram to claim Michael Brown was shot in the back or served as O.J. Simpson's expert witness when he sliced two people to death.

Floyd Mayweather Is Paying for All Four of George Floyd's Funerals

By **Daryl Nelson** | June 2, 2020 [Comments](#)

The tragic death of **George Floyd** has sparked **massive protests** all across the United States and overseas, with many celebrities expressing their feelings about it in one way or another. Some have joined the marches, others have shown their anger online, and a few have donated money to bail out protesters who've been arrested. **Floyd Mayweather** is showing his support by paying for Floyd's funeral costs.

Floyd, a Black man, died on May 25 after Derek Chauvin, who's white, knelt on Floyd's neck for nearly nine minutes during an arrest by him and three other Minneapolis police officers. All four were fired, and Chauvin was charged with third-degree murder and second-degree manslaughter.

The funeral was held in his hometown of Houston, TX on June 9 complete with a white horse-drawn carriage.

Meanwhile, Floyd Mayweather has a few problems of his own.

3/10/2020 – Josie Harris, the ex-girlfriend & mother of 3 of Floyd Mayweather’s children found dead at her home in a car. Cause of death – mixed drug toxicity.

Floyd Mayweather spent 2 months in prison for a Sept 2010 attack on Josie in front of their 3 children when he sneaked into her Las Vegas home. Josie sued Mayweather for \$20M for defamation when he denied the violent allegations on national TV and said he was restraining Josie who was on drugs.

Kellie Chauvin, the estranged wife of former Minneapolis police officer Derek Chauvin intends to change her name and does not want any spousal support. Her divorce petition claims the “parties have been separated since” May 28th, three days after the killing of George Floyd. Even though Kellie Chauvin “is currently unemployed,” she is “self-supporting and “is not in need of spousal maintenance and waives her right to receive temporary or permanent spousal maintenance,” the divorce papers said.

Kellie Chauvin met her current husband, Derek Chauvin, while working at the Hennepin County Medical Center.

“Under all that uniform, he’s just a softie,” Chauvin said of her husband in the 2018 interview. “He’s such a gentleman. He still opens the door for me, still puts my coat on for me. After my divorce, I had a list of must-haves if I were ever to be in a relationship, and he fit all of them.” In October of 2018 Kellie was honored to be the first in the Hmong (Laos) community to be crowned Mrs. Minnesota. The couple has been married for about 10 years.

- Right after the video surfaced, Hennepin County Attorney Michael Freeman said he **had evidence Chauvin could be exonerated**. But ...MPLS Mayor Frey transferred the George Floyd case to AG Keith Ellison, the Communist leader of ANTIFA & CAIR in Minnesota. Because people on heavy drugs feel no pain and are **EXTREMELY DANGEROUS**. The neck restraint has been used by Minneapolis police 44 times in the past 5 years on suspects of every race.

The Madrid incident photo was not found through a reverse image search or in newspapers, but this video has been shared hundreds of times on the channel Elusive Truth. The music doesn't seem to match the gravity of the situation.

COPIES OF COPIES – 4 Sets of Twins

This is a bit on the esoteric side but take a moment and see what you can catch! Thanks to one of our own B2T family members for these insights!

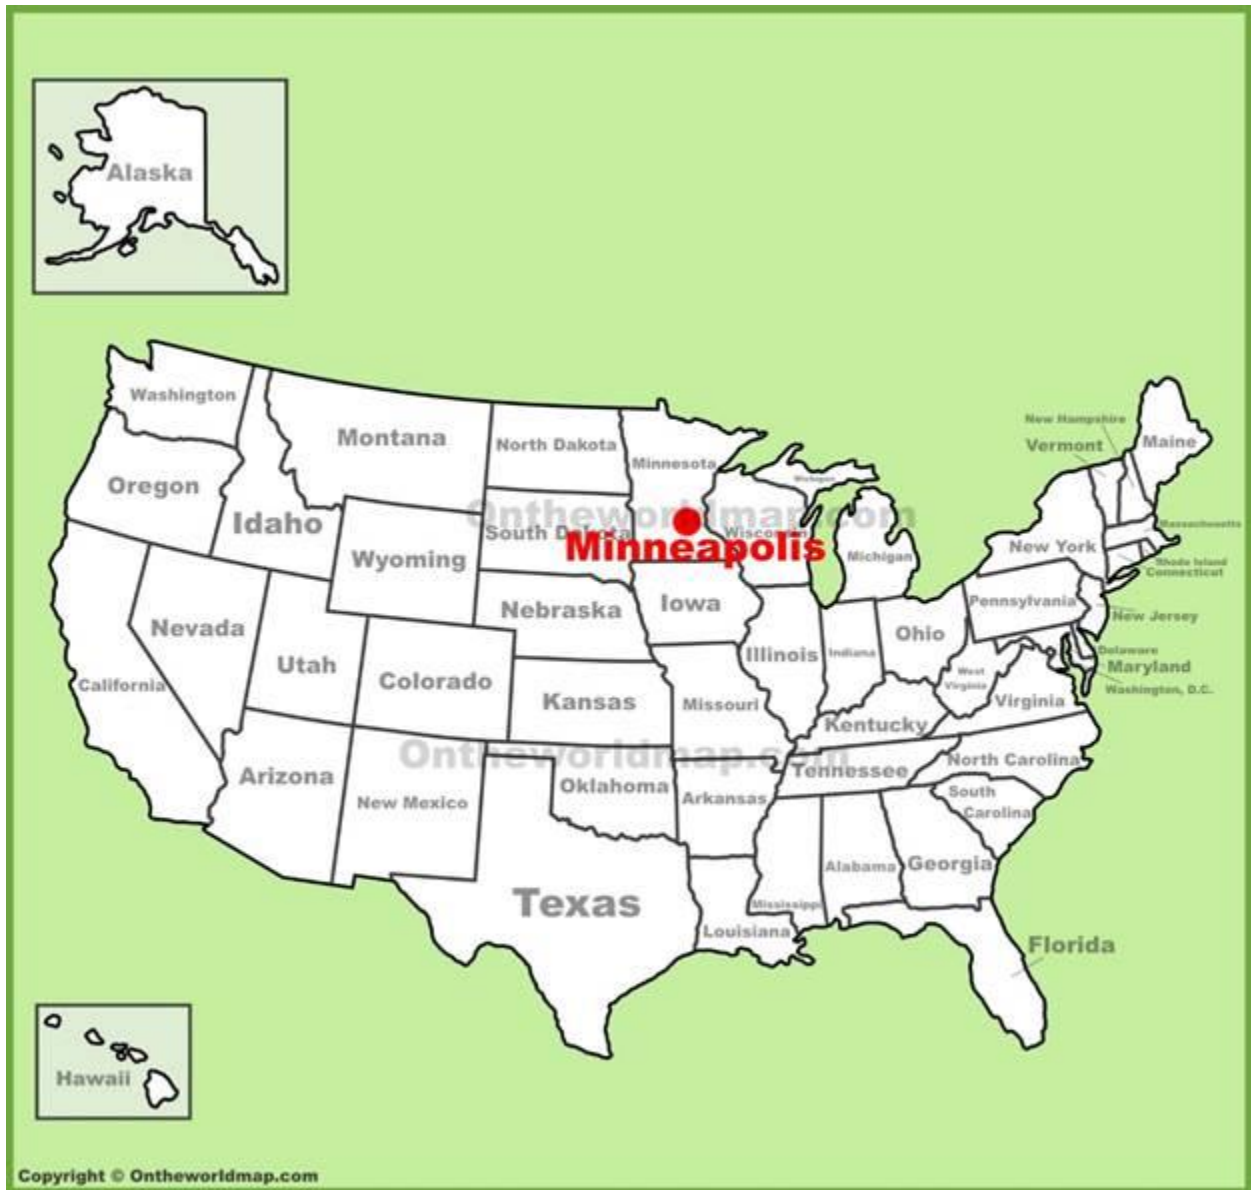

Here's the premise:

The George Floyd Event is a Ritual Satanic Curse on our Nation, among other things, as their [DS] actions are always multipurpose. They tried to slay the lungs of our nation as a way to slay the nation, and also tried to invoke a "second wave" of COVID-19.

And the explanation:

- George Floyd was killed in Minneapolis, one of the “twin cities” (St. Paul being the second city). They are located physically high and centered in the “body” of the USA, just like the lungs in the human body.

COPIES OF COPIES – 4 Sets of Twins

- Stephen Jackson, a former NBA basketball player, says George Floyd was his “twin brother”. George Floyd and Stephen Jackson could be called black twins. Slaying one of the twins is killing one of the lungs (the twins of air), and also constitutes a blood sacrifice to empower the devil/demons to manifest (*watch for Stephen to be killed later?*)
 - George Floyd was killed during the Zodiac sign Gemini, symbolized by The Twins. Mode + Element: Mutable Air

Body Parts: Arms, Hands, & Lungs

Ruling Planet: Mercury

COPIES OF COPIES – 4 Sets of Twins

Mercury represents human duality, polarity (god-man, spirit-flesh*), transportation, sage, teacher, revealer, messenger of the gods *manifesting from the spirit world into the flesh.

Mercury rituals are done in Gemini.

Mercury Archetype = Hermes, Thoth, Zarathustra, Jesus Christ.

Mercury plays tricks and plays the lyre (liar), related to Virgo (the innocent).

- George Floyd was killed May 25, 2020
May 25 = 5/25 (25 = 5×5)

5 is a number of fortune for Gemini

2 = twins

5+5 = twin 5's

Associations with 5

Hamsa Hand – a talisman associated with Judaism thought to protect against the evil eye, Humanity, Human Nature, *Manifesting from the spirit world into the flesh

So in conclusion...

We have four sets of twins = Twin Twins:

- twin cities
- twin brothers
- one killed during twin zodiac sign
- on a date with twin 5's

= A double layered curse

COPIES OF COPIES – 4 5 Sets of Twins

When was the last time the Satanic cabal tried to create world panic and terror?

Twin Towers?

So now we have FIVE sets of twins, completed on 5/25 which is

5×5 = LOUD & CLEAR!

Or is it all just a coincidence?

Protests are the continuation of the ritual:

Violence and Death = feeding the demons to help manifest the curse (through loosh).

Wearing A Mask = Blocks your breathing

Black “I Can’t Breathe” T-Shirts = writes the curse directly over the lungs of the wearer, co-opts the manifesting power of the human wearer, also, writing the same on masks, and saying it aloud.

Taking a knee = Symbolizes surrender to the fascists and the curse
