Happy February to our TCYLC community!

We hope this second edition of our newsletter finds you enjoying your winter sports, and staying safe and warm!

We are so excited that registration is open and underway, and we are looking forward to the start of spring season! Currently, we are encouraging those who haven't registered to do so as soon as possible, so that we know how many teams we need at each age level, and also so that we can register for tournaments before they sell out! Thanks so much for your help with this!

If your child wants to play but affordability is a concern, please reach out! As a newly established non-profit, we're working hard to ensure every child who wants to play has the opportunity. Additionally, if you're interested in sponsoring a player and helping us make this opportunity a reality for all kids, please reach out! Internally we are actively investigating fundraising opportunities and will be applying for grants to assist with this as well!

In this months newsletter you'll find information regarding registration, drop-in LAX, our girls program, used equipment needs, and committee opportunities! New this month, and we hope to continue moving forward, is our player spotlight section!

Thanks for reading, and GO Greyhounds!!
