

5 DAY WILDERNESS FIRST RESPONDER COURSE, MEETING THE O&G SAFETY INDUSTRY NEEDS!!

Located conventionally in Houston Texas & Mobile Alabama!

Great Opportunity for both Seasoned Pipeline Safety Professionals, and those just breaking out!

Our Courses provide valuable insight and simple real-world applications to basic medical care, focusing on things that count! From simple sick call interventions through critical incidents, you will be better prepared.

Focus on prevention, what to look for, how to better monitor the work force, and how to respond, find the small things at the First Aid level, before they turn in to a Medical treatment Case.

Wound care and covering are a target in this course, with a separate wound cleaning protocol to be used by all!
