Lucky Foods' original recipe of Kimchi but in a Vegan version. Kimchi is a Korean staple and a family's labor of love, passed down generations. The Seoul Kimchi is the same as grandma made it, with Napa cabbage and farm-fresh ingredients. Kimchi is naturally probiotic and is not only healthy but delicious. Enjoy it fresh out of the jar, or get creative and use it in your favorite recipe. A great addition to a Plant Based Diet.

A non-dairy water kefir that provides natural hydration and physical replenishment for life's daily adventures. Agua De Kefir is not a kombucha and instead has a lighter, less tangy profile than other cultured beverages. Free of processed sugars, artificial colors, and preservatives, Agua De Kefir has only 7 grams of natural sugar with the additional benefits of electrolytes and probiotics.
