

Camera System App Setup

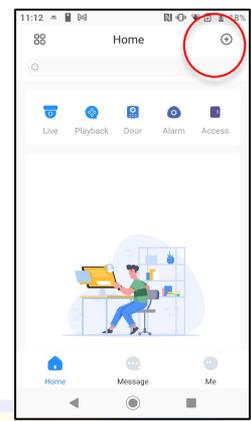

Step 1
 Download the App:
Android: Search for DMSS and Download from the Play Store.
iPhone: Search for DMSS and Download from the App Store

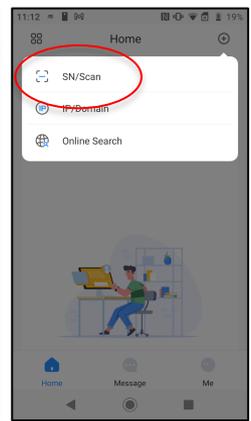

Be Sure To Allow any permissions required during the setup.

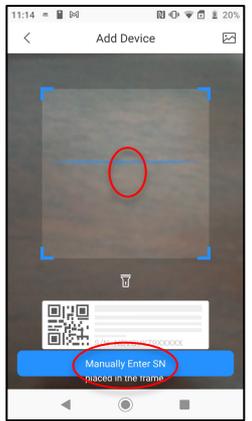

Step 2: Click on Open then select United States

Step 3: Click on the "+" icon at the top right of the screen

Step 4: Click on "SN/Scan"

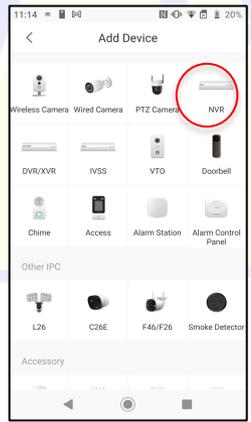

Step 5: Manually type in your serial # listed on this page

Your Device Information

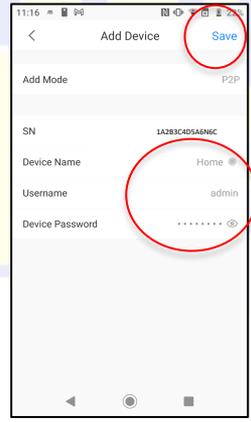

Serial

User:

Pw:

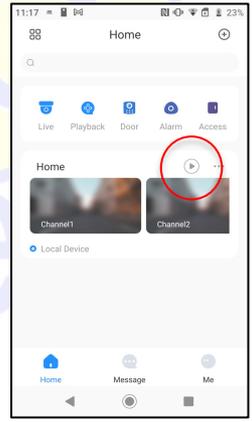

Step 6: Click "NVR"

Step 7: Change the Device Name to example: "Home". Next Type in the Username and Password and Click "Save"

Step 8: You Are Done!

Each time you open the app, click on the PLAY button at the top right. That will bring the cameras on that system
