# Curry Audio & Video

## CAMERA SYSTEM INFO

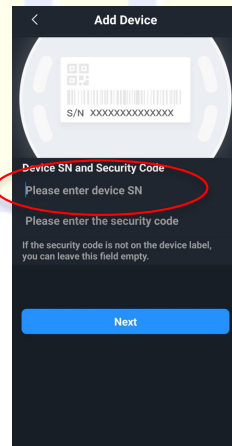

Here is your camera  
system login information  
for the DMSS App:

Serial # \_\_\_\_\_

User Name: \_\_\_\_\_

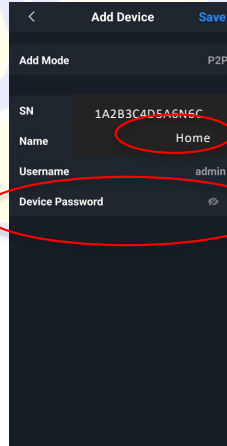

Password: \_\_\_\_\_

Version 121224

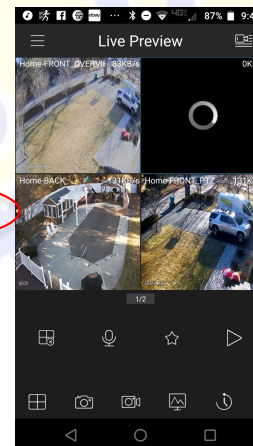

**Step 8:**  
Type in the Serial  
Number SN given  
to you by Curry  
Audio.

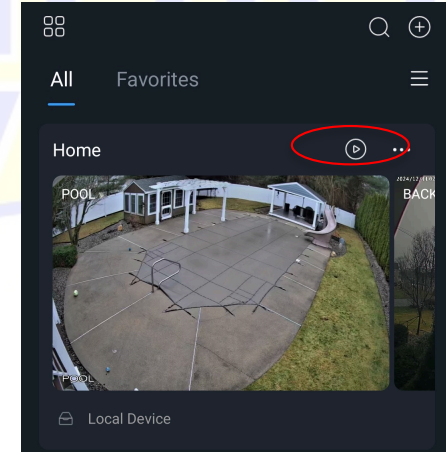

Leave the  
Security Code  
Blank

**Step 9:**  
Change the Name to  
example: "Home".  
Next type in the username  
and password Curry Audio  
gave you. Click "Save"

**Step 10:**  
You Are Done!

Each time you open the app, click on the play  
icon next to the name of your camera system.  
That will open up the window with your 1<sup>st</sup> 4  
cameras on the system.
