# Camera System App Setup Guide

For the DMSS App

*Provided by Curry Audio*

## BEFORE YOU START

- Your phone must be connected to your home WiFi for setup.
- Have your Serial Number, Username, and Password handy (provided by Curry Audio).

## Step-by-Step Instructions

### 1. Download the App

Open the App Store (iOS) or Google Play Store (Android). Search for 'DMSS' and install the app.

### 2. Initial App Setup

Open DMSS and scroll through the intro/tutorial screens.

### 3. Region Selection

Tap 'United States' when prompted.

### 4. Skip Login

Tap the 'X' at the top-left corner. You do not need to log in.

### 5. Permissions

Tap 'Allow' for all permission prompts. Then tap:

- 'Do Not Show Again'
- 'Got it'

### 6. Manual Setup

Press the "+" at the top right of the screen.

Tap 'Allow', then tap 'Manually Enter SN'

## Device Setup

### 7. Enter Device Info

Input the Serial Number provided by Curry Audio. There is no security code.

### 8. Device Type

Tap 'NVR/XVR', then tap 'NVR' on the right.
