Open Plenum  
Solutions

- Vertically suspended panels offer a contemporary appearance with a fully accessible ceiling surface
- Highly sound absorbent: made from 0.90 NRC materials resulting in acoustical performance of 1.35 Sabins per square foot
- Smooth finish with 34% recycled content
- Class A flame spread classification
- Ideal for large spaces with high ceilings
- Quick installation to deck, ceiling, grid system, or wall
- Standard rectangle and wave shapes and sizes, with customization available
- Choose from these color options or request a custom color.
