

December 2025

**With 2025 coming to a close, we chose to take a look back at all PATH was able to accomplish this year.**

As always, we can't carry out our mission of educating and informing others about human trafficking without your support. We appreciate those who welcomed us to their communities to educate their teams, the Kentucky Secretary of State's office for creating Kentucky Businesses Against Trafficking and including PATH as one of two partnering trainers for this statewide project, all those who have donated to PATH, our tireless Board of Directors, and you, our supporter. We look forward to continuing our mission in 2026.
