

March 2024

PATH EDUCATION

Earlier this year, PATH and UNA-USA KY were working to get Senate Bill 181 through committee and to the Senate for a vote. March 29 was the last day of the session and this bill, which is vital to today's youth, their online activity and their mental health, never made it out of the senate committee. Which means we must try again in the next legislative session, which will not occur till January 2025.

If you are so inclined, please let Senator Julie Raque Adams, the bill's sponsor, know that this bill needs to be brought back to life for the 2025 session. You can email her at Julie.Adams@lrc.ky.gov or call the legislative hotline at 1-800-372-7181 and leave her a message.

Senator Raque Adams was a vital and powerful proponent for this bill so we must make sure she understands that, while we had a setback this session, we want to keep pushing forward.

There will be reminders of this ask throughout the year, particularly as we get closer to the 2025 Legislative Session. We must be vigilant to get this back on track.

Thank you for your support.
