

Official Arkalalah Corn Hole Rules

- Boards are placed 27 feet apart: Front of the board to front of the board.
- Beginning a game:
 - Paper-Rock-Scissor will determine who throws first.
 - Winner throws first and loser picks side.
- 2 players per team (teammates throw from opposite sides)
- Each player throws 4 bags, alternating throws with the opposing team.
 - All throws must be under hand.
 - Foot cannot cross the front of the board when tossing your bag.
- Scoring:
 - 3 points – In the Hole
 - 1 point – On the board
 - Bags can be hanging off the board, but NOT touching the street.
 - Team with highest score always throws first.
- Every scoring throw counts {NO CANCELATIONS}
- First team to hit **EXACTLY 21 wins!**
 - If a team “Busts” (goes over 21), their score immediately returns to 17 and they continue their round. (Example: if they bust with 3 bags remaining, their score goes to 17 and they have 3 more bags to hit 21. If they don’t get 21, the game play continues)
 - If a player hits exactly 21 and he/she has bags remaining, they are recommended to miss the board on purposes. The opposing team will have the opportunity to knock the opposing bag(s) off the board or reach 21 points themselves to prevent the win.
 - If both teams land EXACTLY on 21 during the same throwing round, a “BAG OFF” will ensue.
- BAG OFF – each team will throw 4 bags, alternating throws with the opposing team, highest score wins. If a tie, repeat a second “Bag Off”...continue “Bag Offs” until a winner is determined.
- **CHECK IN WILL START AT 11:30. WHEN YOUR TEAM NAME IS CALLED FOR PLAY BOTH TEAM MEMEBERS MUST BE PRESENT OR YOU YOUR TEAM WILL RESULT IN FORFIETURE**

***Final rulings will be determined by an AEC Official.**
