

A Word From Our Pastor

Brother John Bates and his family are the epitome of dedicated servants of Christ. Their love for God, and others, is evident in their zeal and excitement to reach the lost.

I can personally recommend this wonderful family to any church that is praying about, or is in the process of, starting a bus ministry. Many years of experience gives them the tools necessary to excel in any size church. Our church is small, yet Brother John has done a wonderful job at setting expectations and goals for the bus ministry.

We are beyond pleased to be their sending church, and we are just as pleased to partner with them in this vital ministry.

Helping Churches Reach the Forgotten

Luke 14:21b "Go out quickly into the streets and lanes of the city, and bring in hither..."

WHY THE BUS MINISTRY?

Our youth of today are in dire need of hearing the gospel. They are so confused, so blinded, so hopeless, and so much in need of Christ. The bus ministry may be their only hope in hearing about the Lord's saving grace.

As we know, Hell is the alternative and I do believe, according to the book of Ezekiel, their blood will be required at our hands. We may have lost our love and compassion for souls, but I guarantee you, the Lord has not.

If only we would see the importance, they could be rescued TODAY!

Because of this simple truth. and the fact there are so many kids not being reached, the Lord has commissioned us to help like faith churches reach them before satan destroys their mind and heart completely.

Please understand that we claim no special gifts or talents. Just willing vessels at the Lord's disposal. Without Him, we are nothing and can do nothing.

1 Cor. 3:7 " So then neither is he that planteth any thing, neither he that watereth; but God that giveth the increase."

If the Lord is in it, we can help your church fulfil part of the Great Commission through the bus ministry.

Whether it is training others for the work, or to roll up our sleeves and get busy, we're ready to help you start in this amazing work. May God open your eyes and heart to this forgotten ministry.

I ask, is there not a cause???
