## OUR HISTORY

Founded at Encounter Church in Benbrook, Texas, MANNA Joseph Storehouse began with a vision to combat food insecurity and provide essential resources to those in need. Initially focused on our food pantry, we quickly expanded to serve 13 counties, reaching thousands of individuals and families. Recognizing broader needs, we launched "Wearing Hope," our clothing pantry, and introduced educational programs for financial literacy and job training. Our partnerships with local organizations and businesses have strengthened our impact, promoting inclusivity and community resilience. Today, our commitment to empowering individuals and uplifting the community remains unwavering as we continue to grow and enhance our services.

## OUR MISSION

Manna Joseph Storehouse's mission is to alleviate hunger in underserved communities by providing nutritious food through our extensive food pantry network, serving over 13 counties and reaching thousands of individuals and families in need.

Our Impact: In just eight months, our food pantry has served over 30,000 individuals across 13 counties, offering hope and sustenance to the most vulnerable members of our community. Our programs are designed to empower individuals, promote inclusivity, and foster community resilience. Alongside our food services, our clothing pantry, "Wearing Hope," ensures that everyone has access to the clothing and household essentials they need, promoting dignity and self-sufficiency.
