Subject: Phone Follow-Up

Bob,

In response to your phone msg. I'd be interested to hear the feedback from Gen Newton and Commissioner Skinner. Regarding Admiral Gehman, I don't know when he'll be at the Commission this week. Christine Hill or her staff will know. But, I did brief him last week on Ellsworth, providing him information papers, etc.,... If you able to speak to him, he should be familiar the recommendations and all concerns/issues, etc. Art
