That's a lot of wickets to go through. I wonder if anything gets through untouched. Thxs.

Yes. OSD acts as the middle man in the process. Questions go from us to our BRAC ClearingHouse to OSD Clearinghouse to the applicale Service than back again to OSD, BRAC ClearingHouse than the analyst gets the response.

Thanks. Do all requests go through OSD?

Bob, will see if I can get it out of the BRAC to OSD. The assumption is that responses that come back to us our approved by AF Leadership. r/Art

Subject: Question

Art, I have one question for the Air Force that we would like asked if you can. It is one, we would like to see answered by the CoStaff, Gen. Moseley, but that's your call. Here is the question:

If the BRAC Commission decides to remove Ellsworth AFB from the closure list, can the Air Force live with that decision and satisfactorily perform all B-1 operational mission requirements?
