

A man with a wide smile, wearing a dark blue Melin baseball cap and sunglasses, is pointing directly at the camera. He is on a boat, with the boat's structure and a body of water in the background. The scene is bright and sunny, with a clear blue sky and water. The boat has a dark canopy and some equipment visible in the background.

melin HYDRO is built to enable you to have more fun in the sun. Tested around the globe and around the block, through the sprinkles and through the barrel, on the wake and in the lake, over the falls and through them, from tide pools to Vegas pools and everywhere in between. Water and sweat resistant, lighter weight, longer lasting, more comfortable, and breathable, easy rinse and designed to float.

THERMAL
BUILT FOR THE COLD

When it gets cold, we layer up. So we engineered the THERMAL Collection and implemented a Warmth Rating Scale to ensure you have the perfect compliment to keep you warm when the temperatures get cold.

MILL is inspired by the 15th-century art of Millinery - a craft rooted in precision, artistry and attention to detail. Built on the storied history of bespoke headwear and driven by our obsession over quality and innovation, each collection is meticulously crafted with the finest and most luxurious materials sourced from across the globe with unique details and problem solving innovation built into every hat.

ODYSEA

Built with the traditional trucker hat in mind, it's no mistake the Odysea HYDRO is geared for adventure on the road. A stylish curved visor and high-crown shape combine with all the performance of our HYDRO Collection. A custom moisture-wicking lining keeps your head dry and your hat fresh. This road-ready favorite is built for the long haul.

TRENCHES

Trenches Icon HYDRO is an waterman’s favorite — a modern deep fit, flat billed hat that can be dressed up or down and goes as hard as you do. It’s a new classic loved for its sophisticated details, versatility and durability. Our collectors and fishermen alike love our signature thumbprint—the undervisor seal keeps the visor of the hat clean by allowing a place for your thumb to land.

CORONADO

Inspired by our passion for the Southern California coast and the island of Coronado specifically, the Coronado HYDRO is a modern play on the classic retro rope hat design. This split crushed style, with a shallower fit, allows for a more relaxed look and enough room for medium to large sized heads to enjoy as well.
