COLLECTION

Holiday 26 brings a bold, modern take to classic holiday colors. Anchored in rich blacks, deep reds, and crisp whites, the collection reimagines a timeless plaid by introducing it in fresh, contemporary silhouettes. The result is a look that feels both familiar and strikingly new.

Clean lines, structured shapes, and subtle festive details create pieces that transition effortlessly from winter gatherings to everyday wear. With its balance of tradition and the distinctive Bubble touch, Holiday 26 captures the spirit of the season in a way that is refined, confident, and unmistakably modern.
