

# Navigator RQ™

## Your Company's Readiness – Quantified

A single diagnostic that clarifies readiness, surfaces blind spots, and identifies the fastest pathways to scale or raise capital.

### Pillars of Assessment

**Surfacing both strengths & gaps – leadership teams rarely see.**

### Benefits

A structured diagnostic that reveals how aligned, prepared & investable your company truly is – across leadership, growth and capital

### Ideal For

**Founders & CXOs (Scaling)**  
**Investors (Portfolio)**

### Measures

#### Leadership Alignment

Reveals alignment gaps in ambition, decision, execution.

#### Growth Readiness

Tests if the business is structurally & competitively ready to scale.

#### Fundraise Readiness

Benchmarks governance, reporting & capital narrative vs investor expectations.

**Across 6 pillars of company performance.**

### What You Receive

A **quantified readiness score** + pillar map

Your **top strengths, risks, & alignment gaps**

**Immediate actions** to ramp up growth or fundraise
