The Meaning of The Meal

I just returned from the Institute of Liturgical Studies at Valparaiso University. The institute focused on Eucharist. The speakers and presentations inspired the following reflections:

Evangelical - The Eucharist is good news that blesses and sustains life.

Unbinding - The weight of sin is lifted by love while eating and drinking.

Companions - Bonds of friendship are formed over shared food.

Holiness - We are filled with the indwelling presence of Christ at the table.

Actualize - God's love in Christ for Creation is tasted and digested.

Renew - We are strengthened with God's love for us in Christ to care for the well-being of all.

Inspire - We are reanimated with the Spirit of Life.

Subversive - We catch a vision of a world where no one has too much or too little.

Thanksgiving - The only response to such a profound gift of grace is deep and abiding gratitude.

May the body and blood of our Lord Jesus Christ strengthen us and preserve us in eternal life.

Returning Fall 2019

This past season was absolutely amazing at the Coffeehouse. This past season brought a great array of concerts, and even brought our first ever sold out show.

Our next season looks to be even bigger and better than this last one. We hope to see you here as we welcome Howard Levy, The Sapsuckers, Anne Hills, Tim Grimm, Mark Dvorak, and Danny Schmidt. This coming season looks to bring an amazing mixture of music to our doors, and we cannot wait to share these concerts with you.
