Have you ever come away from a Sunday service feeling like you got nothing out of it? Are all your wants and desires being taken seriously by the leadership of your current church? If you suffer from boring worship services like thousands of other Americans, Church of the Shopaholic is for you!

Come by any time of the day or night seven days a week, 365 days a year! We keep our staff well-supplied with coffee so they are always ready to serve you with a smile. In addition to a magnificent campus, we have several Virtual Reality headsets so you can worship anywhere you want! The days of arguing about carpet colors and screens in the sanctuary are gone for good.

Our music and ambience are second to none. Do you like experiencing the Holy Spirit as a super-powered adrenaline rush? Let your hair down with our award-winning in-house band, The Jesus Freaks. Do you prefer to avoid other worshippers at all costs? Enjoy a moment of quiet serenity and one-on-one time with the Boss in an authentic recreation of the Garden of Eden.

Our pastor is uniquely gifted at pleasing everyone and never making anyone uncomfortable. Sermons are always home runs at Church of the Shopaholic. How could they not be when God is your personal therapist, cheerleader, and always agrees with everything you believe?

Before you leave, you will want something to remind you of this perfect worship experience. Stop by the world's biggest gift shop on your way out. Church shopping has never been so easy. We aim to please because, at Church of the Shopaholic, it's all about you!
