

RIVER OF LIFE CHRISTIAN SCHOOL

A MINISTRY OF RIVER OF LIFE BAPTIST CHURCH

Dear River of Life Christian School Families,

After spending time in prayer and examining the expectations for schools to reopen in the fall presented by the Arizona Department of Education, the Arizona Health Department, CDC and in consultation with our teachers, the Board of Deacons has decided that we cannot safely open River of Life Christian School for the 2020-2021 school year.

We know that this is an inconvenience so we have been contacting various Christian Schools in our community so that we can, if you choose, provide you with direction and information to schools who have agreed to receive our students. Unfortunately, like all things, Covid 19 has made this task more difficult as many of the offices are closed and we are having difficulty contacting them. It was our desire to send this letter to you with the names and contact information of those schools, however, we are running out of time and wanting to respect your needs to find a new school for this year. Therefore, we have decided to notify you without having completed that information. When we have the list we will be glad to forward it to you via email if you so desire.
