Dear Supporter of Music,

Thank you in advance for taking the time to consider this invitation. To introduce ourselves, we are the Roseville High School Music Booster Club, a group of parents dedicated to the promotion and support of music education at Roseville High School. We are reaching out to local businesses and individuals who might be interested in supporting the Roseville High School Tiger Band and Guard through monetary donation for logo placement on our Band's trailer.

As a non-profit 501(c)3 organization, we seek to provide opportunities for students to have an enriching musical education and opportunities beyond what the school district is able to supply. Roseville High School, a Title 1 eligible school, has been struggling with declining enrollment with the expansion of the city. Our band program, however, is still going strong!

The award-winning Roseville Tiger Band and Guard has been recognized for performance in all areas, including Marching Band and Guard, Winter Percussion and Guard, Symphonic Band and Jazz Ensemble. Students in the music program are required to keep their grades up and to participate in practices, performances, and competitions. They dedicate their free time to their musical endeavors because they are aware of and receive benefits from being involved in music.

Our financial needs on a yearly basis include, but are not limited to:

- ★ instruction from highly qualified members of the Band Staff
- ★ instrument/equipment purchase, repair, and replacement
- ★ transportation to and from performance and competition opportunities
- ★ entrance fees for local performance and competition opportunities
- ★ uniform design and maintenance
- ★ and so much more!

The Official Trailer of the RHS Tiger Band and Colorguard travels throughout Northern California and the Bay Area to perform for competitions. Your logo would be proudly displayed on the back side of our trailer: not only making your company visible to thousands of people throughout the year, but also one that is recognized in our community as an organization that supports music in schools and our ongoing effort to enrich this community and its musical offerings.

Your donation helps the Boosters organization to provide students with opportunity to flourish through the music program without the burden of financial hardships. Please consider making your tax-deductible donation to help our students achieve their musical goals.

Sincerely,

Tiffany Marshall-Vasquez *President* Ramona Boscow *Vice President* Frank Marshall *Treasurer*
