

Works for You!

TERMS AND AGREEMENT RELEASE

- Suppliers are to maintain test records, first article testing results and applicable records pertinent for the parts being ordered. Records are to be maintained for a minimum of 5 years from the date of purchase.
- Suppliers are to notify JCI of any non-conforming product and obtain organizational approval for non-conforming product disposition. Suppliers are to notify the organization of changes in product and/or process, changes of suppliers, changes of manufacturing facilities and where required, obtain organizational approval. Where applicable flow down to the supply chain any pertinent requirements including customer requirements.
- JCI, their customers, and any regulatory authorities require the right of access to the applicable areas of all facilities at any of the supply chains involved in the order and to all applicable records.
