

About Zeal Academy

Zeal Academy, is a premier institute, is committed to realizing the aspirations of pharmacists pursuing opportunities abroad through comprehensive educational services. Our dedication to fostering dreams propels our continual growth and the development of impactful initiatives.

Established in October 2018 by Dr. Anphil Thomas, our journey commenced with the goal of aiding aspiring pharmacists in securing opportunities in countries like Australia and New Zealand, Canada, USA & GCC.

Our organizational ethos centers on teamwork, where we collaborate towards a shared vision. We spare no effort in providing unparalleled opportunities for our students, equipping them for success. Our team of qualified healthcare experts ensures students receive industry-standard training for healthcare licensure examinations. By utilizing offline smart classes, live online sessions, study materials, and a customized online exam portal, we acclimate students to online testing, facilitating their preparation for final exams.

"The beautiful thing about learning is that no one can take it away from you." - B.B. King
