Super Sound Band Sponsors

What does sponsoring our Super Sound Band mean for you?

It means that your business/organization/family will increase

Exposure and awareness in our community.

By sponsoring our Super Sound Band you help to provide an ultimate experience with needed instruments, uniforms, and awesome tunes to perform at concerts, and competitions.

**We add your logo to our banner and board/ website,  
and any place we get the chance to market you!**

We participate in competitions, concerts and sporting events.

Our Band Boosters volunteer in concession stands at the Pensacola Bay Center and at PFHS plus other schools in the area.
