Dear Applicants:

**Re: Approval Notification – DV21-018 – 7330 Horne Street**

---

On August 15, 2022, Council approved Development Variance Permit application DV21-018 to vary City of Mission Subdivision Control Bylaw 5650-2017

- Section 9.7 to reduce the required amount of dedication for an existing lane from 6 m to 3.8 m
- and Schedule L – Waste Management Design Guidelines to allow a collection service vehicle to maneuver into the lane.
