Carports comes with welded in corner braces on every 6ft standard leg.
12'-19' units come standard with a 4' welded in center brace, with snow brace upgrade available. 21'-30' units come standard with welded in snow truss system.
Installed and rebar staked on your level site or anchored to your concrete pad.
Please note, building widths and heights vary due to zero waste construction.

Horizontal roof has additional roof overhang on each end.
