STEP-ANYWHERE DECK

Get into the driver's seat however you want with the 7-gauge steel deck with reinforced strength that protects the spindles and holds up against tough terrain.

I-BEAM FRONT FRAME

Engineered to conquer demanding landscapes with 1/2" caster forks supported by the I-beam caster arm with sturdy 3/16" top and bottom plus 3/8" middle.

PUSH OBSTACLES OUT OF THE WAY

Effortlessly move picnic tables, trampolines, and bins out of the way for quicker mowing with the Push Bar add-on.

WARRANTY

5 YEARS.
2,000 HOURS.
NO WORRIES.

NO HIDDEN TERMS, NO FINE PRINT, LESS DOWNTIME.

At Yakta, you are backed by the most extensive warranty on any commercial zero-turn mower.

COVERS **EVERYTHING** EXCEPT:

BATTERY. BLADES. TIRES.

READY TO HELP YOU OUT WHEN YOU NEED IT.

Our team is dedicated to addressing your needs. With Yakta:

- You get live troubleshooting.
- We take care of all parts of the warranty claim. No need to call up the engine manufacturer or other OEMs.
- Your feedback is heard, and we quickly adapt to improve our products.
- Solving your mowing problems is why we exist.

You can mow with certainty,
knowing we have your back.

UNMATCHED CUSTOMER SUPPORT

Product specifications subject to change, images may include optional extras. Products may not be exactly as shown.

EASY MAINTENANCE: **MORE UPTIME**

TOOL-FREE OIL CHANGES

No need to get on the ground or raise your mower to change the oil with the tool-free oil drain extender and easy to remove oil filter.

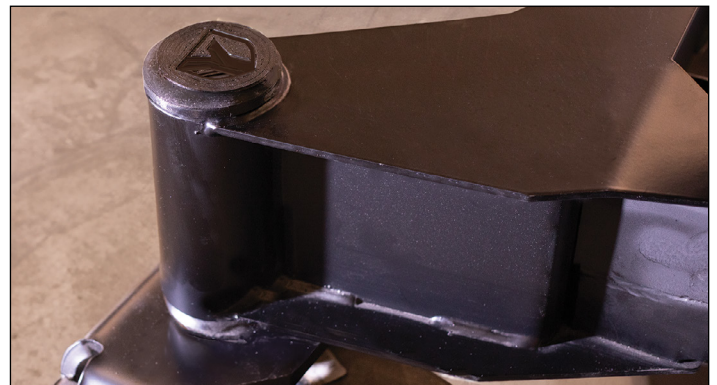

QUICK AND EASY BELT CHANGES

Don't worry about needing extra tools, you can adjust and replace the belt tool-free thanks to the tensioner arm.

DIGITAL CONSOLE FOR DIAGNOSTICS

Get into action quickly if something breaks. The console tells you the error code so you can plan to fix it or reach out to your dealer without wasting time.

NO GREASE NEEDED

Spend less time in the garage and more time moving since all grease points are sealed from potential debris and include high-quality grease.

CUSTOMER SATISFACTION
DRIVES US TO CONSTANTLY
IMPROVE AND PUSH
BOUNDARIES.

Our dedicated team of engineers are working hard to:

- Make mowers that solve common struggles.
- Get the most out of each mower.
- Designs built around easy maintenance.
- Save you time.
- Enhance your productivity.

Make the experience of mowing more enjoyable. With Yakta, we take care of the technical aspects and provide unwavering support, so you get more time to focus on growing your business.
