

Wisconsin River Sportsmen's Club, Inc.

P.O. Box 261 • Mazomanie, WI 53560

Thank you for your interest in joining our Club. We are proud of our facility and the opportunities that it provides for our members to enjoy shooting and social activities. In order to maintain the Club, each member must play an active part in the Club activities.

Our membership process is designed to help you and the Club decide if membership in our organization is in the best interest of both parties. To help you understand the membership process, we have listed the three steps involved. They are:

1. The prospective member must fill out an application and have a sponsor sign the form. A sponsor is any member of the Club in good standing.
2. The prospective member should bring the completed application to a meeting where the president will read the application. The applicant will be asked to introduce themselves and state why they are interested in joining.
3. At the next monthly meeting, a vote by membership is taken. If the vote is in his/her favor, for the first year, the new member can pay a \$25 single membership or \$35 family membership. The new member may attend the same meeting after their vote is taken, or attend the next Club function. Their sponsor will notify them. (After the first year, membership is \$85 for single and \$95 for family, which includes a super raffle ticket.)

In order for you to be completely informed as to the rules that you will be expected to follow as a member, copies of the Club bylaws and gun-range rules will be provided after you are voted into the Club. Attached you will find a copy of our points program which is required by each member to participate in. Please read and review them carefully. All concerns and questions should be directed to your sponsor.

Obligations and duties of a member according to our bylaws is to promote the interest in the conservation of our wildlife and game, fish, forest, waterways, and recreation use of outdoor activities. In accordance with the law, promote proper and safe use of firearms, fishing, hunting, and trapping laws.

Sponsors are responsible for informing new members of rules and Club events.

If you would like to be considered for membership in the Wisconsin River Sportsmen's Club, please complete the application and attend the next Club meeting.
