- A proven, multi-purpose sire that will take you in the right direction for a wide variety of traits. He offers tremendous flexibility whether you are keeping replacement females, marketing high-value feeder cattle or retaining ownership, he is one of those unique sires that does it all well!
- He consistently sires high phenotype cattle mated to a wide variety of pedigrees.
- Proven cow maker. He makes beautiful daughters that are easy-fleshing, with excellent udder quality and teat length.
- Progeny are environmentally adaptable ranking in the top 1% of the breed for Hair Shedding.

From Tehama Angus Ranch, CA, VanDerVeen Farms and Cory VanDerVeen, KS and Jake Swisher, NE

- The most powerful and unique Angus sire to enter A.I. in recent history.
- He offers an impeccable EPD profile that is balanced throughout and ranks in the top 1% for both \$M and \$C. This bull does it all very well!
- His individual performance records are unmatched with ratios of 120 for WW, 119 for YW, 154 for IMF and 107 for REA.
- CRAFTSMAN is a powerful individual with herd bull presence, added length of spine, correctness of lines, extra muscle shape and a long, powerful hip structure.
- The first calves at Connealy's are impressive with explosive growth and eye appeal. Start "crafting" your matings because this sire will build a strong herd.

- Possibly the most exciting sire to enter stud from the 2023 spring season!
- RISEABOVE is the rare combination of phenotype, proven maternal lines and EPDs.
- He is sired by the popular TAHOE son, STAGECOACH, and is out of a full sister to Hoffman Thedford. RISEABOVE offers a pedigree stacked with greatness.
- Member of the 100 \$M/300 \$C club, few bulls offer the same combination of CE, YW, \$M and \$C.
- Available September 1, 2023.

- This bull closely does it all very well and has progeny data to back it up.
- A true "beef bull" that is good-structured, wide-based, deep-bodied with extra width of top and muscle expression.
- STEP UP has a rare combination of traits that breeders are desperately searching for. He exhibits excellent foot quality with extra heel depth, while still having an elite breed ranking for Marbling and \$C.
- Consistently sires stout made, high performance, eye appealing cattle while adding foot quality and end-product merit. Take a "STEP UP in your breeding program!"

- He's a Calving Ease cowmaker and will generate elite maternal value.
- Fertility and Feet; two of the most talked about traits in the Angus breed, and GUARD RAIL is a leader for both! He ranks near the top of the breed for \$M and Heifer Pregnancy.
- Calving reports are validating his double digit CE with excellent calf vigor at birth.
- He sires progeny that are slick haired and excel for the Hair Shedding EPD.
- A great choice for commercial heifer projects where fertility and Calving Ease are a must.

- A direct son of Y69's best daughter, B061, GIBSON offers a pedigree that is predictable and familiar.
- He is in the top 1% for \$M, top 2% for \$C. However, it's his ability to combine high quality traits that is most impressive. GIBSON ranks among the best for CLAW, ANGLE, YW, HS, MARB and REA.
- You won't find a more impressive bull phenotypically; he is massive from every angle with excellent feet and legs.

- This attractive, conservatively-sized sire excels for traits required in quality cow herds.
- His maternal attributes are strong and he brings more rib and hip dimension to the table than most.
- There is lots of chatter about foot EPDs – JUSTICE ranks in the top for both Claw and Angle.

From Rock Lake Angus, WY; and Stevenson Angus, MT

HOME TOWN daughter 4 Sons, KY

HOME TOWN son Frey's Angus Ranch, ND, and Select Sires, OH

HOME TOWN daughter Deer Valley Farm, TN

- The current number one sire for Angus registrations! HOME TOWN maximizes carcass premiums while maintaining calving ease and structural integrity.
- His sons and daughters have topped sales across the U.S. due to their outstanding phenotype in conjunction with breed leading carcass genetics.
- He is high ranking for both PAP and Hair Shedding, this bull fits every environment.
- Outstanding choice for virgin heifers and adding carcass merit.
- A legendary sire that has made his mark with quality from the pasture to the rail.

SELECT SIRES DESIGNATIONS

Within this year's directory, you will find icons designating traits and/or industry sectors where a sire offers significant improvement. Listed below are the descriptions for these icons. Use these icons to help find and utilize the sires that best fit your needs and goals.

COWMAKER

The Cowmaker logo designates sires expected to make the next generation of daughters to retain in your herd. This designation is a combination of maternal EPDs and reports from the field.

SHOWCASE

Sires earn the Showcase™ designation through outstanding show results or from a show-winning pedigree. Turn to this designation to produce your next show winner or to improve the overall phenotype of your herd.

44 BUY BACK PROGRAM

This represents a sire with progeny qualifying for the 44 Farms Prime Pursuits and Angus Strong buy back programs. Using these sires will make your calf crop eligible to participate in 44 supply chain opportunities.

PERFORMANCE LEADERS

Expect Performance Leaders sires to deliver cattle that are leaders for adding growth. These sires will rank among the best in their respective breeds for WW, YW and ADG.

PROOF POSITIVE

Sires that are .85 or higher accuracy for Birth Weight EPD.

PAP

These sires are designed to perform at high altitudes and rank high for PAP EPD or by having great individual PAP data.

CALVING EASE

These sires are your go-to for your heifers. The Calving Ease logo identifies sires that rank high for Calving Ease Direct and/or have been successfully used in the field on virgin heifers.

gender SELECTED^{4M} Ultraplus™

This icon identifies sires with sex-sorted female semen available. All gender SELECTED semen is processed using Ultraplus technology.

CARCASS

The Carcass logo designates sires that will add carcass value and quality. These sires rank high for marbling, ribeye area and \$B.

gender SELECTED^{4M} Ultraplus™

This icon identifies sires with sex-sorted male semen available. All gender SELECTED semen is processed using Ultraplus technology.

CAB TARGETING THE BRAND

Identifies sires that will help you target CAB standards.

gender SELECTED^{4M} Ultraplus™

Look for the gender SELECTED 4M icon to identify sires with sex-sorted female semen available in 4 million sperm doses. All gender SELECTED semen is processed using Ultraplus technology.

Limitations and Conditions of Sale: gender SELECTED semen shall be used only for the single insemination of one female bovine during natural ovulation with the intent to produce a single offspring unless specifically approved on an individual customer basis by Sexing Technologies in writing. As a condition of purchasing gender SELECTED semen, the purchaser agrees that gender SELECTED semen will not be reverse sorted or re-sorted unless specifically permitted, in advance, on a case-by-case basis by Select Sires in writing. Select Sires intends to monitor the use of the gender SELECTED semen and vigorously enforce these restrictions on use. Please see <http://www.selectsires.com/designations/gendersselected.html> for additional details.

™Showcase, gender SELECTED, gender SELECTED 4M and Proof Positive are trademarks of Select Sires Inc. All gender SELECTED semen is processed using Ultraplus™ technology. Ultraplus is a trademark of STGen LLC. ©Certified Angus Beef and CAB are registered trademarks of Certified Angus Beef LLC.

\$30

SIRE: TJ GOLD 274G
TJ 12C
TJ NEW TIME LINE 113X
DAM: TJ 52A
TJ MISS DAY R1

- GOLD STRIKE was selected as Gold's best son to add to the Select Sires lineup.
- His dam, TJ 52A, is sired by TJ New Time Line and is also the dam of TJ Chief. TJ 52A is a proven dam that has recorded 7 progeny with a WW ratio of 113!
- Being 3/4 blood, GOLD STRIKE offers tons of mating flexibility, for use in making percentage cattle or making purebreds.
- GOLD STRIKE's first calf reports are excellent for calving ease when used on heifers.

- STANDOUT is Select Sires top selling calving ease sire! He is predictable for Calving Ease on heifers, and his progeny are built correctly with outstanding style. STANDOUT's sons and daughters will have the "added look!"
- His dam needs no introduction! STANDOUT is a direct son of the CLRS Beauty Queen 420B cow who has blazed her own trail in the Clear Springs, Steenhook and Schooley breeding programs. She has a record of 4 at 115 WW ratio.
- STANDOUT calves are noticeably quiet, maturing into extremely gentle cattle, making him a breed leader for his DOC EPD.
- Available in *genderSELECTED™* 4M female semen!

H & H IRENE LASS 0135
TR COLT 45 UT806

DAM: C-BAR ABIGRACE Y11
C-BAR & BROWN ABIGRACE T712

- A Calving Ease sire that excels for Phenotype and Carcass Merit
- He's high accuracy for Calving Ease, and ranks near the top of the breed for REA and GridMaster.
- Phenotypically impressive with muscle and dimension in a moderate, eye-appealing package.
- His dam, Abigrace Y11, is one of the most prominent cows in the Red Angus breed.
- His outcross pedigree offers a variety of matings with Red Angus and Simmental females.
- FRANCHISE is no. 5 in breed for registrations and still remains a household name for Calving Ease and Phenotype.
- Available in *gender Selected™* female semen!

SIRE: LARR PAYCHECK 0728
LARR MISS CC FLOWER 7528
BIEBER CL STOCKMAN E116

DAM: BIEBER PRIMROSE 225H
BIEBER PRIMROSE 526D

- A highlight bull in the 2023 Bieber Red Angus Sale.
- He is moderate framed with added muscle shape, depth of rib, and excellent feet.
- His data set is as impressive as his phenotype, ranking near the top of the breed for WW, YW, Marbling, REA, and ProS. He recorded individual ratios of 126 for IMF and 108 for REA.
- In addition to his elite growth, CHECKMATE still maintains modest Calving Ease, excelling for all three birth traits including BW, CED and CEM.
- CHECKMATE can provide mating flexibility as he is sired by LARR Paycheck, an outcross to most of the Select Sires Red Angus pedigrees.

From Bieber Red Angus Ranch, SD.

- Recognized as one of the best in the breed for phenotype and genetic excellence.
- CUDA is a proven breed leader that combines Calving Ease, Growth, Maternal Value, and Carcass Merit into one complete package.
- Multi-trait excellence, as he ranks near the top of the breed for 10 different traits.
- CUDA sets the standard for carcass merit within the Hereford breed, ranking near the top among proven bulls for Marbling, REA, CW, and CHB\$.
- His daughters in production exhibit excellent udder quality and maternal strength.
- With over 2,100 birth records on file, he offers high accuracy CE with progeny that ratio well for Weaning Weight, REA, and IMF.

- ALL-AMERICAN is just that!
- He offers exceptional quality and breed leading EPDs, as he ranks in the Top 1% for RE, MARB and FPI; and he's in the top 3% for YW and the top 5% for WW.
- ALL-AMERICAN's individual performance is impressive as well, posting an 827-pound weaning weight (105 ratio) and a 1322-pound yearling weight (108 ratio).
- His dam's premier maternal pedigree stems from the KCF Miss Fortune U490 family that has produced numerous seedstock sires and donor females for the Gelbvieh Breed.
- This is the sire the Gelbvieh breed has been waiting for, and now he's available through Select Sires!
