

Birthdays @

Microgreens workshop

Children get their hands muddy mixing the compost and then prepare a tray of 3 different microgreen seeds to grow and eat at home

Pizza workshop

Children make their own pizza from scratch: roll the dough and add toppings of their choice to be individually baked in our gas fired stone baked pizza oven.

Loose parts, nature play

Between workshops children can play freely outside with our selection of repurposed large loose parts equipment to build a bridge, a tower, a cubby hole or in whatever way their imaginations will take them. Alternatively they can chase and catch grasshoppers outside or look for frogs and toads or any of the other creatures that we share our space with. In case of rain we have a large multipurpose movement room which includes more loose parts equipment, balancing beams, a climbing wall, balls and crash mats; often a favourite at our birthday parties.

muddyhandsgarden@gmail.com

NT\$ 15,000 for up to 12 children for three hours including workshops, water, simple decorations and photos. Suggested times: 1100-1400 or 1400-1700.

Up to 12 children plus one accompanying parent each.

Feel free to bring your own extra food, birthday cake, pinnata, etc. but please be mindful of waste. We have steel cups and drinkable water so try to avoid dozens of cartons and bottles as the majority don't usually get drunk and end up in the bin. Contact us for any other requests and we will do our best to accommodate you.

NT\$ 5000 will reserve the date payable by cash or transfer to the account below. On the day we will do a head count and additional children will be charged at \$1200 per child. Price is exclusive of 5% VAT. Please ask if you require a VAT receipt and add 5%. Non participating siblings and any extra parents over the number of participating children will be charged at \$500 per person (excluding babies in arms).

Turn into Lane 155 on XingYi Road, Beitou District, and follow it to the end. Turn right across a wooden bridge. We are located 70m up the hill on the right side, inside a blue gate. There is parking for up to 6 cars. Alternatively you can park in the lane or on XingYi Road and walk in (Preferable).
