Activities depend on age and past attendance. All activities are encouraged but not enforced. Children are always welcome to take the lead and if something they discover interests them then they are actively encouraged to pursue that interest as long as it's not destructive or *actually* dangerous. If kids 'just want to play' then that is also actively encouraged; digging, discovering, building and creating in their own unique ways.

We fully embrace play at Muddy Hands and value the plethora of learning that it entails. We know that learning happens naturally when children are free to explore!

在 Muddy Hands, 我們鼓勵但不強迫參與。孩子可自由探索、發現與遊玩, 我們相信學習會在自然中自然而然發生!
