**Treasurer:** Sara Grix

**Dir. At Large:** Karen Burke

"June is bustin' out all over!  
The sheep aren't sleepin' any more.  
All the rams that chase the ewe sheep  
Are determined there'll be new sheep.  
And the ewe sheep aren't even keepin'  
score!"

"June is Bustin' Out All Over"  
from Rodgers & Hammerstein's CAROUSEL

# **Greetings MCMGA Members**

**Congratulations to our MCMGA members that received awards at the Macomb County Master Gardener Banquet last month. Loretta Macklem (Tomlinson Arboretum) was awarded the 2021 Master Gardener of the Year and a trio of EMGs at the Charity Garden, Vicki Jastrzebski, Linda Simpson and Lori Ches, shared the Unsung Hero Award for their work at the Charity Garden. Some of our members reached volunteer hour milestones in 2021. These include Joann Roman (3500 hrs), Linda Simpson (2500 hrs), Margo Pennefather (1500 hrs) and Karen Small (1000 hrs).**

**MCMGA members Pat Alexander, Laurie Johnson and Laura Pickett achieved Advanced Master Gardener status in 2021 and Marsha Terrell, Debbie Togger and Carolyn Jennings completed their 40 hours of volunteer work to earn their Master Gardener certification. Several of our members received Green Thumb Awards. These include Debbie Togger (Tomlinson & Octagon House), Carol Jennings (MSUE Demo Garden), Darlene Nance (Octagon House), Sara Grix (Octagon House), Laura Pickett (Octagon House) and Pat Alexander (MG newsletter). New EMG emeritus members include Joann Roman, Karen Burke and Sara Jane Hanson.**

**We would also like to congratulate our 2022 MCMGA Grant Award recipients once more:**

**St. Mary's School Garden, the Charity Garden, Crocker House and the MSUE Demo Garden.**

**June brings many opportunities for you in the garden. Now that the danger of frost is over, this is a great time to plant those tender bulbs such as cannas, gladioli, dahlias, caladium and tuberous begonias. The ground is now warm enough to finish planting your vegetable garden, too. Here's hoping for a not too hot of a summer with ample rain, beautiful blooms and foliage and a bountiful harvest.**

## MCMGA Board of Directors Meeting 5/04/2022

Attendees: Dave Putt, Dennis Beltz, Karen Burke, Sara Grix, David Lowenstein, Ellen Collins

Dave Putt called the meeting to order at 4:05pm.

### Professional Comments

David Lowenstein reported that everything is set for the EMG Banquet tomorrow.

David will hold an insect ID & collection event on Tuesday 6/28/22 from 5:30-8:30pm at the MSUE Macomb County, \$20.

There will also be a free program on growing sedges and ornamental grasses, two offerings: Tuesday July 12 evening & Wednesday July 13 daytime. Details to follow.

Volunteers are needed to man the MSUE booth at the Lavender Festival. More info in the Macomb Master Gardeners newsletter.

\*\*\*\*\* Important Update: Deadline for entering hours in VC is now 12/1/2022 \*\*\*\*\*

### Treasurer Report

Sara Grix reported the organization's financials are healthy.

Dave Putt will submit his receipt for the table skirt to Sara for reimbursement.

### Programs

May 11: LSC- CISMA "Invasive Plants" In Person with demo of MISIN App

June: TBD

July 19: Pam Gors "Hummingbirds & Orioles" In Person Quarterly

Dennis Beltz reported that he continues to work on securing speakers for Aug, Sept, Oct & Nov. He also contacted Sue Grubba to speak in the fall about putting the garden to bed.

### MCMGA Award

Dave Putt discussed creating a new award to recognize a member for their hard work and contributions to the MCMGA. Dave motioned to fund \$25 per award, maximum 4 awards per year, to a member in good standing who has been an EMG for a minimum of 5 years. Motion passed. Awards will be presented at a Quarterly Meeting. Karen Burke suggested advertising the award in the newsletter to promote the organization. Dave Putt will send out a request via survey monkey for board member to submit 2 names for the first award.

### MCMGA Board Strategic Plan

The board will meet on Friday June 17 @ 10am to begin development of the strategic plan. Dennis Beltz will reserve a meeting location.

### Term Limits

The board is not pursuing a change to the bylaws at this time.

Meeting adjourned at 4:58pm.

Submitted by Ellen Collins 5/4/2022

# VOLUNTEER OPPORTUNITIES

## MSUE Demonstration Garden

Perennials predominate in this garden, with the addition of bulbs, annuals and shrubs. These flowering plants are of diverse shapes, sizes, colors, textures and bloom times, creating an earth-friendly habitat to attract and support pollinators from bees to butterflies and other beneficial insects.

### Volunteers are wanted

to help with weeding, mulching, pruning, planting and plant division.

### Workdays start on MAY 10<sup>th</sup>

**Tuesdays 11:00am - 1:00pm and/or Thursdays 5:00pm - 7:00pm**

Please contact Diane Reynolds ([dmr131@hotmail.com](mailto:dmr131@hotmail.com)) for additional information.

We are located at the Macomb MSU Extension office by Entrance E & F  
VerKuilen Building 21885 Dunham Road Clinton Township, Michigan

**Come and join us!**

# ST. PETER CHARITY GARDEN

**43785 Gratiot, Clinton Township (Behind Kingsborough Castle)**

St. Peter Charity garden grows and provides fresh vegetables for several food pantries in Macomb County. It's maintained by a crew of volunteers, passionate about fighting food insecurity and feeding the poor. Education is also an important part of its mission. Children from elementary school through high school come to the garden to learn about growing and harvesting vegetables. L'Anse Creuse Public Schools' Pankow Center's Horticultural program brings students to the garden for hands-on experience directly related to their high school curriculum. Of course, our volunteers learn as well.

We have a wide variety of experiences for you:

- \* **More than two dozen varieties of crops, plus numerous beneficial and ornamental flowering plants**
- \* **Best practices in crop rotation**
  - \* **Multi-stage composting**
  - \* **Maximization of growing space through vertical gardening**
- \* \* **Multiple aspects of plant care including:**
  - **Nutritional imbalances**
  - **Plant diseases and treatment**
  - **Pest identification and treatment**
- \* **Pest deterrence through herbs, flowers and bait plants**
- \* **Butterfly habitats, pollinator havens and bird drinking stations**
- \* **Companion planting**
- \* **Edible flowers**

The garden is very hands on, with opportunities to participate in a variety of activities to suit your interests and abilities. At over 1/2 acre, there's plenty of room for safe distancing. Three experienced Master Gardeners are on site. Bring your own gloves; tools are provided if you prefer. We work March through November. Choose your own hours, we do have a sign in log. Contact email: [stpetercharitygarden@gmail.com](mailto:stpetercharitygarden@gmail.com)

# FUNDRAISING

AmazonSmile is a simple way for you to support your favorite charitable organization every time you shop, at no cost to you. AmazonSmile is available at [smile.amazon.com](https://smile.amazon.com). When you shop at AmazonSmile, you'll find the exact same low prices, vast selection and convenient shopping experience as Amazon.com, with the added benefit that AmazonSmile will donate 0.5% of your eligible purchases to the organization of your choice.

## Can I use my existing Amazon.com account on AmazonSmile?

Yes, you use the same account on Amazon.com and AmazonSmile. Your shopping cart, Wish List, wedding or baby registry, and other account settings are also the same.

## How do I select a charitable organization to support when shopping on AmazonSmile?

On your first visit to [smile.amazon.com](https://smile.amazon.com), you need to select a charitable organization to receive donations from eligible purchases before you begin shopping.

**This link will take you to [smile.amazon.com](https://smile.amazon.com), where you will automatically be asked if you want to support the Michigan Master Gardener Association, Inc. (Clinton Township, MI)**

## How can I learn more about AmazonSmile?

# New Book on the Shelf

by **Dave Putt**

## The Complete Guide to Seed and Nut Oils: Growing, Foraging, and Pressing by [Bevin Cohen](#) (April 5, 2022, 144 pages, New Society Publishers)

On the heels of publishing “The Artisan Herbalist: Making Teas, Tinctures, and Oils at Home”, Bevin Cohen has just released another book on a similar topic. His new book “The Complete Guide to Seed and Nut Oils: Growing, Foraging, and Pressing” has a narrower focus than his previous publication and concentrates on the history and methods of extracting refined and unrefined oils from seeds and nuts. Chapters 1 and 2 provide an historical backdrop of oil extraction and the variety of processes from which oil is produced from nuts and seeds. Some techniques are within the realm of a homeowner but not all. Some are quite clever such as adapting a bicycle to power an oil press. Chapter 3 provides details on the harvesting, pressing, storage and uses of 18 commonly used seeds and nuts.

If you are like me and see cooking with a variety of plant-based oils as an extension of what a Master Gardener does, you will appreciate that the author lists the smoke point of the oils derived from these 18 seeds and nuts. I just wish that the author would have provided a table of the smoke point temperatures so one does not have to look up this valuable information page by page. Until reading this book, I was unaware just how important are storage conditions for the preservation of the quality of these various oils. Chapter 4 provides information on an additional 28 nuts and seeds for the homeowner to consider, but with less detail. Chapter 5 is for those of you who might be tempted to get involved in your own commercial oil production business. Another fine and useful book from Bevin Cohen.

June is a cruel month.  
Oh, the weather's fine,  
but we don't get a single  
work holiday to enjoy it.
